SIXTH SUNDAY IN ORDINARY TIME

THURSDAY BIBLE STUDY

Bible Study – an act of acquiring knowledge of God; the scriptures; Christian faith, the reasons why we do what we do as followers of Christ. Our most recent study was entitled “Relating to Others as Jesus Would.” This study put the complexity of Jesus’ character front and center. Viewing Jesus one setting at a time, made who He really is, come more to life. How He related to His family, to seekers, to sinners, even to those who rejected Him, gave us more insight into who Jesus was as a divine human being. He was kindhearted and sensitive but also refused to be bullied or intimidated. He remained committed to His mission no matter how much he was made to suffer.

Our next study will cover Luke: The Good News of God’s Mercy and Acts The Good News of the Holy Spirit. The next 12-week session will resume on Thursday, March 2, in the Madonna Room at Corpus Christi, 6:30 pm. Please call Leona Marmolejo , 937-274-4476, by February 13, if you would like to join us, for further information.

The Real Presence

THE MIRACLE OF BORDEAUX, FRANCE 1822

Following the French Revolution (1793-1798), three new religious communities were formed in Bordeaux, France. The members of the last of these congregations, established in 1820, are called the Ladies of Loreto. It is in their chapel that the miracle took place. The officiating priest carefully recorded the facts of the miracle. The following is part of the translation of his document: I wish to declare that I am a priest now living near the parish of St. Eulalie of Bordeaux. I wish to attest and affirm before my Savior, my God, the truth of the facts contained in the present declaration. The priest superior of the Loreto could not himself give the Benediction to the community and begged me to replace him for this service. I went to the house of these sisters, the third Sunday of this month, at four o'clock in the afternoon. As soon as I arrived I was ready to give the Benediction. I exposed the Blessed Sacrament, but I was not finished blessing the Sacrament with the incense when I looked at the monstrance. I realized that I had placed the Holy Species there, but instead of the Holy Species, I saw our Savior, head, chest, and arms, in the middle of the circle that served him as a frame like a painting, but this "painting" looked alive. His figure was very white and represented a young man about thirty years old, extraordinarily beautiful. He was dressed with a dark red scarf draped over His shoulder and chest. His head was inclined sometimes to the right and sometimes to the left. Struck by this miracle and not believing my eyes, I questioned the server with the censer who attested to the miracle and said that he could still see it. I prostrated myself upon the floor. I was humbled at the presence of my Savior. Tears of joy filled my eyes. The miracle continued through Benediction. I took up the monstrance, and gave the Benediction, contemplating all the time our Divine Savior who was visible in my hands. I placed the monstrance on the altar, but when I opened it, the Host was as normal. Trembling, with tears in my eyes, I left the chapel. In the days that followed, many who had been present for the Benediction attested to having seen the miracle.
