

## September 29th

This week in faith formation we learned that when we enter church we are entering God's house. Just like any friend's house we enter, we need to treat it with respect. We use Holy Water and make the Sign of the Cross when we come into church; and before we sit down in our seat we genuflect. Some of the younger students did not know what the word genuflect meant so older students explained what to do and demonstrated the correct way to genuflect.

We learned that after we sit down, we kneel and say hello to Jesus. We can talk to him about anything and we can ask him for help. We learned that during Mass there are times we need to be quiet and be still, but there are also times we can talk - by prayer responses and singing. Jesus wants to hear us!

October is the Month of the Rosary. We will be praying one decade of the rosary in church so please send a rosary with your child.

Thank you to all the parents who joined us in Church! See you Sunday!

**Also, next week our students will begin to receive the weekly MagnifiKid that they can bring into Mass each week to encourage and help them participate each Sunday during Mass.**
