

St. Catherine Laboure Family Formation Program

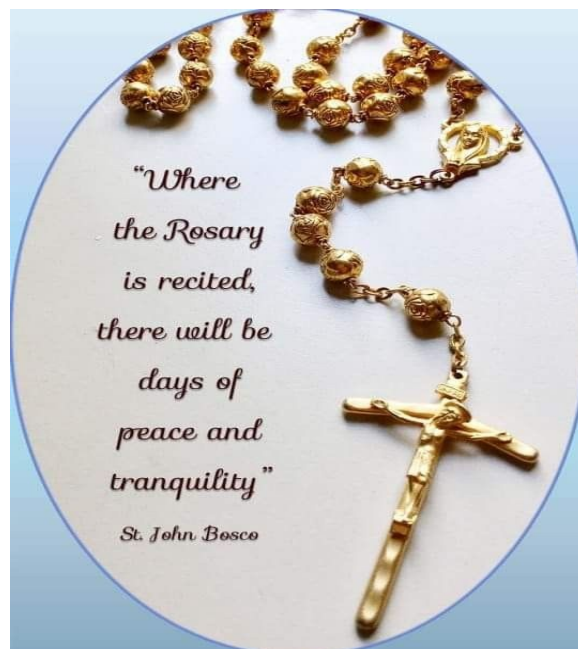

Dear Families:

The October packets are very similar to last months - we will continue to be following the same format month to month:

1. **Learning the Faith through book work from Family of Faith or the Blessed Program(2nd Grade).** *Please take time to go over these pages with your child - your discussions will help them understand and learn the faith.*
2. **Weekly study of Sunday Readings - using the MagnifiKid and Kids Bulletins.** *We are called each week to hear the readings, reflect on them each Sunday and then live them.*
3. **Prayer Life - We should be striving to help our kids develop a daily prayer life.** *Your child still needs you to pray with them each day to build this into their daily routine.*

In addition to these 3 things - October is the Month of the Rosary so each packet this month has some exercises and suggestions on praying the Rosary this month.

Next Packet pick up will be October 24th/25th
