

St. James the Apostle School

Sports Program Evaluation Form

We at St. James school strive to create an athletic program that will operate at all levels with common courtesy, patience, pride, and respect. Our coaches, parents, and administrators should act as educators and transmitters of Catholic values. The goal of the St. James School Athletic program is to inter-mingle sportsmanship and Catholicism so that our children come away with a heightened sense of themselves as people who can strive for great things.

Your feedback is essential to helping our program achieve its mission. Please take the time to complete the evaluation form with your child. We need to know your thoughts about how to strengthen the partnership with our coaches, parents, and athletes so that we may provide every St. James athlete with an optimal sports experience.
