Snapology — SAN ANTONIO —

St. James the Apostle Catholic School

Snapology Creature Creator Robotics

In Snapology's Creature Creator Robotics class, your animal lover will create their own animal inspired robotic models. Students will learn about gear ratio, sensors, simple machines, and programming as they build insects, dolphins, gorillas, dinosaurs and much more. Students are sure to have a wild time as they build, learn, and play while practicing teamwork and problem solving under the guidance of Snapology instructors. Students will even make their animal robots come alive using a drag and drop programming format on iPads® and WeDo® 2.0 robotics equipment provided by Snapology. Grades 1st-5th.
