

ASSISTANCE FOR VICTIMS OF SEXUAL ABUSE

By means of notice, the Roman Catholic Archdiocese of Dubuque wishes to make more widely known its program for assistance to people who were/are childhood victims of sexual abuse by clergy or other Church personnel. The program provides the services of a Victim Assistance Coordinator and was established in response to the archdiocese's "Policy for the Protection of Minors."

The program is staffed by a Victim Assistance Coordinator (VAC).

The function of a VAC is to provide a pastoral presence to victims and their families. A VAC receives allegations of abuse and facilitates assistance for the victim.

The focus of the program is the emotional and spiritual well-being and healing of those affected by the sexual misconduct of clergy and other personnel of the archdiocese.
