### Confirmation Saint Essay

1. Choose a Catholic Saint who represents your Confirmation name, and research his or her life.

2. Write an essay about this saint answering 3 questions:

A. Why you chose this Saint.

B. What stands out about this saint to you personally?

C. Having learned about this saint, what does it mean to you to have this saint as a role model of faith?

3. This essay must be no **more than 2 pages** (12 font ~ single-spaced).

Some important points:

- If you use a website to research your saint, make sure it is a Catholic website. The saint must have a “Feast Date” which must be included in your essay. If there is no Feast Date, the saint is not recognized by the Catholic Church and your essay will be returned to you so that you may hand in another one.
- If you use a website to research your saint, do not cut and paste this essay. You must read about your saint and then put into *your own words* what the life of this saint means to you.
