God, and we will nail them to a cross in the Multipurpose Room.

Athletics Updates

Update for the 2022-2023 School Year

Volleyball season will be here before we know it! Next school year, we have hopes to have both girls and boys volleyball participating in the Metro Volleyball Conference during the fall. Games are typically on Saturday mornings-early afternoons. Practices will be decided based on coach availability and how many teams we have. We also hope to have enough players to have our own teams. If we are unable to fill teams, or if Holy Angels is unable to fill teams, we will most likely join forces to allow our students a chance to play.

An interest form was sent home with your Middle School children. If they are interested in playing, or if you are interested in coaching, please return the form BEFORE May 6, 2022. If you need another copy of the form, please let me know.

I am still looking to start a athletics committee that can help organize all things concession stand related. This includes purchasing food items, creating sign ups, set up/clean up, and other things to help concessions run smoothly. If you are interested please let me know!

Thanks,
Cheyanne Broeckel (cbroeckel@wbparishes.org)

Family Challenge

DE-CLUTTER AND DE-STRESS! We spend so much time organizing and re-organizing stuff that it uses up our time, and then we can't use that time to do the things we really love. Purging our home of unnecessary things is important. This month will help you rid your home of clutter to help you feel relaxed and calm without feeling overwhelmed.

Welcome to April's Family Challenge - It's spring, and if you're like a lot of families, you're digging in to some Spring Cleaning! We challenge every school family to try doing this month's Family Challenge together. We think you'll love the benefits of the

together time, and the benefits of a decluttered house. Download your calendar, and get started. Complete at least 25 of the challenges, then turn your calendar in to the school office to be entered into a drawing for a prize.

Looking for Volunteers Please!

Saint Frances Cabrini Parish is looking for volunteers for Sacristy Cleaning during the month of May. This is a great ministry to do as a family! It allows a special connection to our Lord in prayer and service while spending time together as a family.

Some general duties include: cleaning and filling the holy water dishes, cleaning the glass doors, and picking up things left in the pews. You can schedule the time as you see fit, usually once during the week before the weekend Masses. A family of 4 can come in one day (or evening) a week and get everything done in about an hour.

Please call Brenda Rodefer at 262-338-2366, ext. 116, if you are willing to help with this very important ministry, or for further information. Thank you!

Rooted, First Communion & First Reconciliation, and Confirmation

Registration is now open online for our Rooted formation program, First Reconciliation/First Communion preparation, and Confirmation preparation. The 2022-2023 schedules will be on the website soon.

Just a reminder that the Rooted program is free of charge for SFC school families with children enrolled in K5-8th grade.

If your child will be receiving their First Reconciliation & First Communion next year, you will need to register separately from your school enrollment.

Contact Julie Braun with any questions at jbraun@wbparishes.org. The links to register are below.
