

## Great News!

### Parent Preordering of Meals and Online Meal Payments Now Available

Dear Parent/Guardian,

Saint Frances Cabrini has selected EZ School Apps for your school lunch management software. You will no longer be using OSV to pay your lunch account. If you would prefer to pay with cash or by check you may drop that off in the front office. EZ School Apps offers a safe and secure way to pay for student meals online from any browser using [www.ezschoolapps.com](http://www.ezschoolapps.com). It also provides a parent and student the opportunity to discuss meal options and then preorder meals online, which if possible, we HIGHLY encourage you to preorder and to keep a positive balance. If you had a balance from last year, that will roll over and will be entered soon into the system if not already. Please reach out to myself if you do not see it by September 15<sup>th</sup>.

After signing up you will have the opportunity to:

- Select and order meals for your student online.
- Track your student's orders.
- View the school's menu options.

Please follow the attached directions to setup your account today. Enjoy the convenience of online ordering, online payments, and the view of your student's account 24/7.

Sincerely,

Holly Machi- Food Service Coordinator
