## ENCLOSURES

- Job Openings

## CALENDAR

- Picture Re-Takes  
Wednesday

- Early Release  
Thursday

## PRINCIPAL'S MESSAGE

Happy Monday and All Saints Day!

Hope everyone had a nice weekend and a great Halloween!  
It's hard to believe we are beginning November and the 2nd quarter. First quarter report cards will be emailed to you on Friday.

We had a wonderful week last week in DC with our 8th grade students. They were amazing representatives of our school. So many people came up to us during the week to comment and compliment our kiddos on how respectful, polite, and reverent they were at the memorials. We know how great our kids are, but it's always so nice when people outside of our community recognize it as well!

Early release on Thursday!  
Have a great week!

Mrs. Frederick :)

**A reminder that families should not drop off or pick up students in the parish center parking lot!  
Thank you!**

## ColorCycle Markers

Sacred Hearts will be participating in the ColorCycle program again. This process repurposes the entire marker, regardless of the different kinds of plastic or how they are assembled, and convert it into energy .

You can learn more about this process and Crayola's other environmental initiatives by visiting [www.crayola.com/colorcycle](http://www.crayola.com/colorcycle)

There will be a bin outside the old office to put old markers in. Crayola accepts any marker brand for this program.

If you have any questions, please contact Mrs. Smith [toni.smith@shjms.org](mailto:toni.smith@shjms.org)

## Playground Help

Please consider signing up for a slot to help with playground duty. We rely on our parent volunteers to help keep students safe during recess.

November - <https://bit.ly/novplays>

## Thank You!

The Scholastic book fair is over (online and in person) and was a great success. I would like to thank you for supporting the book fair this year and helping grow the love of reading!

If you used the Book Fair eWallet, you may check if you have any remaining funds by logging into your account. Any unused funds can be used when you sign in to shop at <https://shop.scholastic.com/parent-ecommerce/fair.html>. You may also use the remaining eWallet funds balance to set up an eWallet for the next fair in May. This fair is the buy one get one free fair and is not a fundraiser.

Again, thanks for your generous support.  
Toni Smith, Librarian

## Pictures ReTakes!

This Wednesday we are having our picture retakes! If your child did not get their photo taken in the summer, or if you need an updated photo, please have your child come dressed and let their teacher know they will need to be sent down.

## SCRIP News

Lots and lots of great daily bonus offers going on through the SCRIP App (search your app store for Raise Right by Shop with Scrip!) so keep an eye out for your favorite shopping spots. After all, it is November and holiday shopping will be here before you know it!

Orders are every Tuesday throughout the school year. Please have orders in by 9 a.m. those mornings and cards are sent home on Thursday.

To order visit [www.shopwithscrip.com](http://www.shopwithscrip.com) or send me an email at [nikki.cumming@shjms.org](mailto:nikki.cumming@shjms.org). Thanks!

A huge shoutout to our leaders who chaperoned the 8th grade trip to D.C.!
