## PRINCIPAL'S MESSAGE

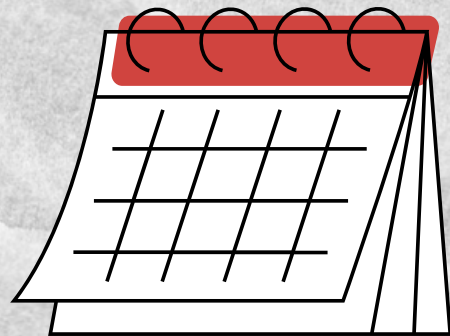

Happy Monday!

We are forging ahead through December! We survived our first big snow storm...always remember that we will communicate with any schedule changes as soon as we know. We do follow the Sun Prairie School District. Please make sure the kiddos are prepared for winter weather with boots, snow pants, gloves, hats, etc.

Have a great week!  
Mrs. Frederick :)

# DI FUNDRAISER

Every year DI families participate in a round of fundraisers to help prepare for our tournament season this spring. If any of our teams are lucky enough to qualify for the Globals tournament, the funds we raise through the year will help the team/s cover expenses.

Our first fundraiser this year is a Culver's Share Night on January 9th. All DI families are asked to please [sign up](#) for a shift. We need lots of adults and older kids, but younger DI kids are welcome to help with their parent. We also need everyone to attend this event and advertise it heavily to our friends and family! School will send out notices as well. The more traffic we generate, the more successful our night will be.

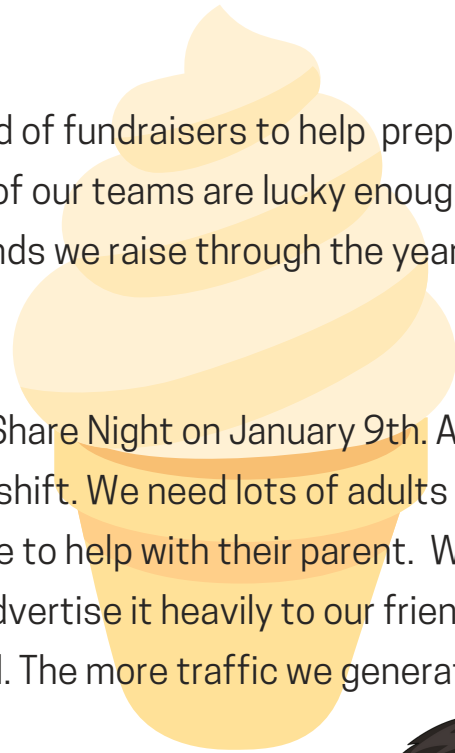

Thank you in advance for your help!

## DRAMA CLUB

How can your student participate in Drama Club? So many ways!

1. Students in 5th-8th can join us in the Talent Show Feb. 3 as we perform "You're Never Fully Dressed Without a Smile" from Annie Jr. the musical! We will rehearse Wednesdays in January at lunch.
2. Students in 3rd-8th can join us for a showing of the original Willy Wonka movie Jan. 27 in the cafeteria after school.
3. Auditions for *Willy Wonka JR.* are Feb. 6 and 7 for 5th-8th graders; join us on stage in Wonka's magical chocolate factory, a mysterious place with strange creatures known as Oompa-Loompas, or off stage as members of the crew!
4. Auditions for 3rd and 4th graders for squirrels, chefs, and Oompa-Loompas will be during music class in February.

More details about each even will be in the family newsletter closer to the date!

# CHRISTMAS PROGRAM

I would like to thank all the students for their hard work and dedication putting this year's Christmas program together. I am very proud to get the opportunity to work with them.

I would also like to thank all the families and friends that attended and to those who gave such generous donations.

Please note that there was an unfortunate error on the program. Ella Rice was a speaker for the fourth grade class and was not mentioned in the program. I would like to acknowledge her here!
