GRADUATING WITH CLASS

Holy Family Catholic School

Inspired by the Gospel of Jesus Christ, the Holy Family Catholic School community commits to fostering deepening faith, academic excellence, responsibility for self, and concern for others.

Why Choose Catholic Schools?

We believe that parents are their children's primary educators who today have many options for the education of their children. All schools offer general curriculum in English, Math, Science, and History. Catholic Schools not only provide these general subjects, but they do so by integrating faith into every class.

The goal of Catholic Schools is to inject faith formation into the early-learning years, to develop each student's God-given gifts, and to prepare them for success in higher education and beyond. *This is the Catholic School difference!*

We invite you to consider joining our joyful, faith-filled, academically-competitive School community. We wish to ensure that every family can enjoy the benefits of a Catholic education regardless of their financial situation or their child's learning needs.

Please come for a tour of our beautiful school and allow us to discuss with you how we can assist you in meeting your family's educational goals.

For more information, contact Mr. Matt Moloney, Principal, mmoloney@hfcatholicschool.com or (904) 645-9875.

Congratulation to John McGarity, graduating senior from Bishop Snyder High School, the 2020 recipient of the Bishop Snyder Peace in Christ Award.
