Taking the five loaves and the two fish, and looking up to heaven, he said the blessing, broke the loaves, and gave them to the disciples, who in turn gave them to the crowds.

A repost from Fr. David regarding Distribution of Holy Communion...

The current method of lining up across the front seems to be working well and giving adequate time to adjust masks and reverently consume the Host.

- Please begin to line up as soon as the priest has consumed the Holy Eucharist.
- Once you have received and adjusted your mask, return to your seat down the main aisle.
- The next person should fill the available spot *as soon as* the previous person vacates.

Please note:

- Reverence and care to ensure that the Eucharist is **immediately consumed** by the recipient is imperative.
- Fr. David and Fr. Christopher will be distributing Holy Communion on the tongue for those who so desire.
- Extraordinary Ministers of Holy Communion will distribute Holy Communion only in the hand.
- Holy Communion may not be received in the hand if a member of the faithful is wearing gloves or **is holding other objects** in his/her hands.
Both hands must be free.

- When receiving on the tongue, please tilt head back, and stick tongue out and over the teeth and lips.

- If your mask has been removed before the Minister distributes the Host, **please do not say Amen.**

Anyone not receiving Holy Communion is encouraged to remain in their pew, children may accompany their parents; they should not come forward unattended.

Personal blessings will not be given during Communion, the blessing at the end of Mass is sufficient.

I thank you for your patience and cooperation and for your continued support of our parish.

Please join me in prayer and fasting for the quick end to this situation.

God bless you.

Fr. David Keegan, Pastor
