

BE LOVE REVOLUTION

at Holy Family

BE HIS. BE FREE. BE LOVE.

Who We Are

Be Love Revolution (BLR) began in 2013 in Ann Arbor, Michigan with the intention of helping young women develop a personal relationship with Jesus and grow into mature disciples. Be Love Revolution operates in cooperation with Renewal Ministries, a Catholic ministry of evangelization and renewal throughout the world, to personally accompany young women on their journey of faith through one-on-one mentoring and discipleship.

The Jacksonville chapter of BLR began in 2022 at Holy Family Catholic Church with the Intention of building stronger and more impactful discipleship among young women in middle school, high school, and college.

The mission of Be Love Revolution Is three-fold:

Be His:

Helping young women know the personal and transformative love of Jesus.

Be Free:

Forming young women to live freely and confidently as daughters of God.

Be Love:

Equipping and empowering young women to be God's love in the world today.

What We Do

Beloved

An event for **high school girls** that includes a speaker witness/testimony, small groups, Q & A, praise and worship, prayer ministry, Eucharistic Adoration, and social time.

Talitha Koum

Similar to Beloved Nights, but for **middle school girls**, Talitha Koum nights enable us to continue to develop relationships with middle school girls and give our high school girls an opportunity to minister to the younger girls. Each event includes a short practical teaching, Adoration and worship, small groups, and social time.

Abide

ABIDE are small discipleship groups that meet weekly or bi-weekly with the intention of helping high school girls grow in their personal relationship with Christ through bible study, personal sharing, accountability, and prayer in a more intimate setting. Groups are led by adult mentors and organized by grade. Small groups are typically held in families' homes, at a coffee shop, or the Holy Family Youth Room.

Service Opportunities

We want to bring God's love to those in need and help girls grow as servant-leaders by providing opportunities to participate in local service outreaches.

One-on-one Mentorship

We desire to personally support girls as they face the daily challenges of high school. Core team members are available for “coffee dates” a few times a month to provide a listening ear, practical wisdom. If you are interested in mentoring, please contact us at aresendez@holyfamilyjax.com.

Parent Resources

We recognize how difficult it is to raise teens in today’s world. We want to offer helpful resources about relevant topics to parents, as well as future events.
