A Stewardship Way of Life

Naaman went down and plunged into the Jordan seven times at the word of Elisha, the man of God. His flesh became again like the flesh of a little child and he was clean of his leprosy.

- 2 Kings 5: 14

Naaman's instant reaction to this miracle in his life was to embrace faith in the one, true God. He also wanted to give a gift to God's Prophet, but Elisha refused despite Naaman's insistence. Naaman wanted to show his gratitude for the blessing he had received. We too are called to be like Naaman and show God how much we appreciate the many blessings we have received, are receiving and have yet to receive! And we show our gratitude by being good Stewards, sharing our *Time, Talent and Treasure* with the Lord present in our sisters and brothers.

Weekly Scripture Reflection

Luke 17: 11 - 19

On the way to Jerusalem, Jesus passed through Samaria and Galilee. Ten lepers met Him as He entered a village. They asked Him to have pity on them. In response, Jesus directed them to show themselves to the priests. As they were going, they were healed. Only one of them had the presence of mind to go back and thank Jesus for miraculously curing him.

Is a 10% return on His goodness all that Jesus really expects from us?

What do you imagine the other nine cured lepers were thinking and saying as they went back to their daily routines? Did they attribute their cure to Jesus?

What is it about the one leper's response to his cure that is a model for us to follow?
