

## Updating your Flocknote Account

Make sure you get all relevant information about GIFT classes for your family - update the new grades for your children! Here's how: Log in to Flocknote and click the three white dots at the top left part of the screen. Then, click on My Info from the pull down menu. Your profile will pop up on the right side of the screen; click on the groups icon to see the ministries you are currently getting messages from. Scroll down to the bottom of your list and click on the Join another group button and you can scroll through to add the new grade(s) for your family.

*To remove a grade from last year, hover your mouse over that grade and click on the X that pops up to delete it.*
