After working the past year to review the math curriculum, the faculty selected a new series that better aligns with the school's standards. From Fr. Oiland

Assistance request: Many of you might remember Damian Aranda, a seminarian from Portland who assisted at our parishes during his first year of college. Damian has decided to take a year off from seminary, but finds himself in need of housing during his senior year at Gonzaga. He is wondering if there are any parishioners who might have extra lodging that he could rent this year. If you think you are able to help, please let me know. Thanks in advance! -- Fr. Kevin Oiland
