### 2<sup>nd</sup> Collection in June // American Cancer Society // Social Justice - Catholic Social Teaching

“Once again, the American Cancer Society is asking for your support in the sponsorship of this year’s events. In the past years, your support, along with others, had a profound impact on the American Cancer Society and its program and services.

Cancer deaths have decreased by 32% in the last 29 years and this number will continue to decrease, thanks to supporters like you. The American Cancer Society provides advocacy, multiple different programs, research, including over \$2 million right here in Iowa, and development of new drugs and treatment. The American Cancer Society is the #1 trusted source for cancer information. Some cancers that used to be a death sentence, now have a survival rate as high as 80%. This is great news; however, we should not become complacent, but to continue to support the American Cancer Society. Thank you for joining in our fight to end cancer. There are over 500 cancer survivors in Mitchell County.”

### Commission Eucharistic Ministers

Fr Burkle will be Commissioning all Eucharistic Ministers during all three Masses the weekend of June 21 and 22.
