

From the Principal

The beginning of the end as we start Quarter 4

This is Holy Week, as we prepare to celebrate Easter. It is a very busy week as we end March. Many of our sports teams will begin their season, the students in our spring musical continue to work hard, and our seniors and juniors prepare for the last six weeks of classes.

In all honesty, I am having trouble writing this letter this morning (yes, I have been putting it off; usually, I love this). I know that schools go through tribulations when they are working toward something better. I understand that situations and incidents happen to try to take us off track. However, it doesn't make this work any easier knowing that "this too shall pass." We find ourselves at a crossroads that will help define our trajectory.

I am confident that we will work together, come through, and be better because of our tribulations. The warm weather and sun will help raise our spirits. Sports will become more structured and competitive to help focus our attention, classes will begin to conclude, and the upcoming summer break will bring excitement and joy. We have many exciting events and activities planned to break up the weeks as we go through quarter four.

I am excited to complete my first year, grow, and become a better leader for the school. I have learned many tough lessons, but I have also learned to realize that leading means empowering others to do what is right and necessary to help our culture. Through it all, I have learned that this is a community that supports one another. This support is what will be necessary to continue our growth.

Thank you for your support as I work through this first year. I enjoy working alongside and helping your students and children grow. It is a privilege to help in their development. I take this privilege very seriously and will continue to improve to help STB be great.

I hope you remember the love of God throughout this holy week as we head toward Easter.

God Bless STB.

News and Information

Here are a few updates for this week at STB:

- **Dismissal Protocol**

- To dismiss your student from school during the day, please:
 - Call and email (from your email on your FACTS account) before coming to pick them up - if we don't know you are coming to pick them up, we won't have them ready when you arrive.
 - **Students should not be texting you if they don't feel well (they shouldn't have their phones).** Please remind them that if they don't feel well or need to leave, they should ask to go to the office so we can reach out to you.
 - If you are dismissing them for an appointment, it also helps to let Ms. May know before you arrive so we can have the student ready. Again, a call and email are expected from the parent/guardian.
 - This is outlined in the student handbook and is needed to keep us apprised of who is leaving throughout the day.

- **Re-Enrollment Reminder**

- How to Re-Enroll:
 1. Log in to the [FAMILY PORTAL](#)
 2. Click Apply / Enroll, then Enrollment / Re-Enrollment
 3. Complete the Re-Enrollment Packet
 4. Our district code is SBHS-MA
- Once your enrollment packet is submitted, you will receive a confirmation email from FACTS regarding your STB Registration Fee.
- Please note that an additional \$11 FACTS enrollment fee is included in this payment.

- **Cell Phones**

- Please remind your students that cell phones should not be out and used during the school day. These small reminders from families at home help support our school.

- **Prom Tickets**

- Prom tickets are on sale this week - have your student check out the fliers in school and bring their money for tickets (I believe tickets will be sold at lunch - Prom is for Juniors and Seniors).
