Sacred Hearts Care Team Ministry

Who We Are...

We are a congregation-based team that offers visits of sustaining presence, reassuring phone calls and an array of non-medical services to aging persons and their caregivers. Services include rest and relief for caregivers, friendly visits and telephone reassurance, assistance with mail correspondence, sorting, organizing, and bill paying.

Training and ongoing support for team members are provided through a unique collaboration of Catholic Charities and Oakwood Foundation. All team members are screened through background checks and thoroughly trained in topics and techniques such as: confidentiality, limits of care, handling an emergency, and active listening skills.
