## Pastor's Message

### Eucharistic Revival

We are in the midst of a three-year national Eucharistic Revival originated by the United States Bishops. They have begun planning a national Eucharistic Congress in Indianapolis from July 17-21, 2024. The conclusion of this revival will be on Pentecost [June 8, 2025].

*The host looks no different after the Consecration than it does before. It looks, smells, feels, and tastes like bread. Only one of our five senses gets to the truth. The ears hears the words, "This is my Body; this is my Blood," and faith takes us beyond the veil of appearances. ... The Eucharist seems to be bread and wine, and yet by faith we say, "My Lord and my God!" as we bow our heads and receive Holy Communion. ... We believe that the slightest particle of the Host is fully Christ. Eucharistic faith is a powerful antidote to the misguided and dangerous notion that value depends on size.*

{Proclaiming the Message of Life, p. 56}

Join us Sundays in Lent for A Biblical Walk through Christ's Passion with Edward Sri. Filmed on location in the Holy Land, No Greater Love is a biblical pilgrimage that reveals Christ's amazing love for us. Best-selling author Edward Sri guides you through the last hours of Christ's life. You will walk step-by-step with Jesus from the garden of Gethsemane to Mount Calvary. Every step of the way, Old Testament prophecies, messianic expectations, biblical symbolism, and historical context shed light on the mystery of Christ's suffering and death. Experience a deeper understanding and appreciation of God's immeasurable and unconditional love for you - and grow closer to Jesus. Between the 8 and 10 AM Masses on the following Sundays during Lent: March 5, March 19, March 26, and April 2 in St. Patrick Parish hall.

### The Disciplines of Lent

**Abstinence** - Catholics of age 14 or older are to abstain from meat (beast or fowl) on Good Friday (April 7) and all the Fridays of Lent.

**Fast** - Catholics from age 18-59 are to fast on Good Friday. On a fast day, a person limits themselves to one full meal and two smaller meals [together they should not equal another full meal]. Snacking or eating between meals is not permitted on these two days, but liquids, including milk and fruit juices, are allowed.

### **Your Gift Changes Lives Through Catholic**

**Charities:** Your support at any level makes a difference in the lives of your neighbors in Northeast Iowa. Did you know that a gift of \$50 helps put a client on the path to stable

employment? Or that a gift of \$150 helps someone take their first step to improve their mental health? That a gift of \$300 helps to prevent eviction and keep a family in their home? Support this important work, and much more with your gift to the Catholic Charities Annual Appeal. Learn more at <http://www.CatholicCharitiesDubuque.org>.

## Prayer REQUESTS

### **Remember our sisters and brothers in your prayers:**

Lisa VanderKolk, Paulette Poland, Jeremy Engrav, Louise (Wadsworth) Martin, Bill Campbell, Toni Kolsrud, Linda Stortz, Michael Dale Goltz, Rachel Lankford, Michael Johnson, Mary Lou Garin, Ralph Callahan, Suzy Welch Leiran, and Lyle Goetzinger.

**[Names will be left on prayer list for 30 days; contact parish office for longer]**

**SOCCER AND A BROKEN RESERVOIR** In the Dry Corridor of Honduras, climate change causes persistent drought, making farming nearly impossible. With support from Catholic Relief Services, Rony, a farmer, repaired an old reservoir and installed a new irrigation system to improve his harvests. Now Rony can send his son to a soccer academy to pursue his dream of becoming a professional player. How can you work like Rony to support others' needs and dreams? Visit [crsricebowl.org](http://crsricebowl.org) to learn more.

**Question of the week:** Perhaps the Transfiguration story calls us not to cling to the familiar, but to leave the comforts of the parish and reach out to the world around us. In your neighborhood or community, who is waiting to hear the Good News? Choose one of the following activities as a way to further reflect on the Sunday readings:

- The story of the transfiguration shows that knowing Jesus can change our lives. Discuss the story, including some behaviors that your family needs to change.
- We grow in our knowledge of Jesus through prayer. As a family, share some experiences of prayer. Encourage family members to share their favorite forms of prayer. Remember that prayer can take many forms, such as silent meditations, song, journaling, litanies, the Rosary, Mass, spontaneous conversations with Jesus, and so forth. Arrange for your family to come together for prayer. In addition, encourage family members to spend some time in prayer on their own.
- Talk about how family members have grown since they were babies. Explain that the more we come to know Jesus, the more we grow and change. Discuss the following question with your family: How does knowing Jesus help us to grow and change for the better?
- The Season of Lent is a time for honest reflection. What changes could you make to improve your relationship with Jesus?
