

Transfiguration Parish

MISSION STATEMENT

We are a Catholic community united by love, illuminated by the Transfiguration of our Lord Jesus Christ. We gather as a People of God seeking unity through the Holy Spirit to Worship through the Sacred Liturgy, Prayer and Sacraments, and to proclaim the Christian message which promotes Justice, Reconciliation and Service through Evangelization, Faith Formation and Discipleship.

VISION STATEMENT

Transfiguration Parish is committed to continual growth in the Catholic Faith through a lifelong union with Jesus Christ, and in service to others through the ministry of the Church. We spread the Good News of His love and promote His Word through evangelization, education, reflection, and daily witness. As faithful stewards we pledge to direct and develop the spiritual, human, financial, and material resources of the Church. We respond to His love with gratitude and prayer, with compassionate service, generous sharing, reconciliation and equality for all.

*From the Desk of Deacon Chris...***“HEARTS AFLAME
EUCHARISTIC CONGRESS”**

“Then they said to each other, ‘Were not our hearts burning within us while he spoke to us on the way and opened the scriptures to us?’” We hear these words in St. Luke’s Gospel from the two disciples who the risen Christ joined as they walked on the road from Jerusalem to Emmaus. The disciples did not recognize Jesus while he walked with them, and only recognized our Lord when he said the blessing, broke the bread, and gave it to them at the meal that evening. The scripture says that their eyes were opened, and they recognized him.

On Saturday September 22, 2018 there will be a diocesan wide gathering with Bishop Scharfenberger centered around the Lord Jesus in the Eucharist. In his introductory letter announcing the Eucharistic Congress, the bishop used a sports analogy comparing the Hearts Aflame Eucharistic Congress to a Catholic “Super Bowl” where we celebrate our faith with enthusiastic joy. We all know what Super Bowl weekend is like. Why can’t our celebration of the Eucharist be just as joyful and fulfilling?

The Shrine of the North American Martyrs in Auriesville seems like a wonderful setting for a day of celebrating our Lord in the Eucharist. The grounds of the shrine are full of a rich history of faithful people who gave their lives for their faith in Jesus. May we all have such a measure of faith.

We are all painfully aware of the recent sex abuse crisis in the Church. Perhaps there is no better time than now to come together as a Church to give praise and glory to God in the Eucharist. We cannot change the sins of the past, but we can pray together for those who have suffered, and ask the Holy Spirit to guide our Church as a source of God’s infinite mercy and healing.

Over the years, some people have remarked to me that I seem joyfully content during the Celebration of the Eucharist. I certainly hope that is always the case because I truly believe in the grace and blessings of the Eucharist. How can we not be joyful as the living Jesus gives himself to us in Holy Communion? Our joy should be the same joy the two disciples on the road to Emmaus felt as Jesus revealed himself to them as he broke the bread at mealtime.

I hope to see many of you in Auriesville on September 2, 2018. I will probably never go to a Super Bowl game, but I can certainly attend the Catholic Super Bowl at the Hearts Aflame Eucharistic Congress! Come join the celebration! God bless.

Nurses' Notes:

Health Tips:

Got yogurt? The probiotic-rich food may help your heart. Considering the many imposters out there and all the doubts about eating dairy, it's no wonder that yogurt often gets a bad rap. But the facts tell a very different story. In fact, once you know them, you may be left asking: Is there anything yogurt can't do? It's loaded with calcium, high in B vitamins, packs plenty of phosphorus, magnesium, and potassium, and, if it's the Greek kind, offers ample protein. Choose yogurt that contains probiotics (look for at least 4 billion live, active cultures per serving on the label). Add up all of these health benefits and you have a food that works overtime, improving your digestive health and immune system, increasing bone health and combating osteoporosis, helping control appetite, and promoting weight management. Now yogurt adds yet another notch to its belt: better heart health. New research on adults with high blood pressure found that eating more yogurt was associated with a significantly lower risk of heart attacks. Over the course of 30 years, women who ate more than two servings of yogurt a week had a 30 percent lower risk of having a heart attack, and men had a 19 percent lower risk. As a population study, this research doesn't prove that the yogurt led to the heart benefits (it may be they ate fewer carbs and snacks for breakfast and snacks). But clinical research on animals also suggests that the beneficial bacteria found in yogurt (along with other fermented foods and probiotic supplements) lowers your risk of heart attacks. To get the most benefits, steer clear of yogurt with added sugar. . <http://www.clevelandclinicwellness.co>

ON-LINE GIVING

We have been given the opportunity to establish a profile using the On-Line Giving button on the Transfiguration Parish website. Some of our parishioners are using this computerized way to make regular contributions via the internet. We are encouraging everyone to do so. The direct link to set up your individualized profile is <https://goo.gl/3v3t3A>. You cannot access On-Line Giving through the My Parish App. Please consider this easy way to make regular contributions to Transfiguration Parish.

VOLUNTEERS NEEDED

BIRTHRIGHT of Ballston Spa, a pregnancy support service, needs volunteers to work 4 hours a week in our office. If you are compassionate and caring, we can teach you the rest. There are young women in difficult circumstances in whose lives your caring friendship would make a world of difference. The next 3-part training session is **October 9, 16, and 23** from **9-11 a.m.** If you are pro-life and can listen without judging, please call Susan at 518-430-7922 for more information.

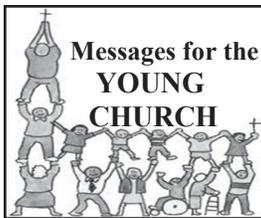

Offertory Report:

Due to the bulletin publication schedule there will not be an Offertory Report for this week.

“RE-IGNITING OUR FAITH CAMPAIGN” Coming to Transfiguration Parish

Last summer, Bishop Edward Scharfenberger announced the launching of the “Re-Igniting Our Faith Campaign.” The purpose of the campaign is to help strengthen our parishes for the future. In the coming weeks there will be more information and opportunities for every household within our parish to hear about the campaign. The funds raised will focus on the needs of our parish, as well as some diocesan-wide initiatives, mainly being, support of the priests’ retirement, increased vocations, and addressing new innovative ways of promoting evangelization within our parish and in our community.

We hope that every parishioner will take the time to learn about the campaign to help fulfill our parish mission and vision.

Recently a letter from Deacon Keough was mailed to every registered family/parishioner at our parish introducing the “Re-Igniting Our Faith Campaign.” More information will follow regarding this exciting opportunity to benefit our parish and its programs.

For more information on the overall campaign, please visit the “Re-Igniting Our Faith” Foundation’s website @ Re-Ignitingourfaith.org
