Gospel Today

Third Sunday of Lent | Luke 13:1-9

The parable uses a barren fruit tree to help us understand God's patience and love for His creation. Given the proper nurturing, unfruitful people can again become pleasing to God.

©2022 Bon Venture Services, LLC

This tree has no fruit. It can be home to birds & animals, but it is capable of so much more! **It just needs to be nurtured.**

Jesus believes in us, is willing to give us another chance. We need to say we are sorry for not always doing the best we can. Thank Jesus for His forgiveness & faith in us as we:

Follow our FAITH for 40 DAYS

NURTURE
To feed, nourish, train, educate, cultivate

Draw fruit and leaves on the tree. Add any fruit that would be good to eat.
Example… apples, oranges, peaches, pears, figs. Don't forget to add a bird to the nest!

Now the tree represents people —ready to share & give good things to others.
What can people give others that trees can't give? Ex. a hug
