**SUPPORT OUR
ADVERTISERS**

DID YOU KNOW?

**In terms of Modern-Day Countries,
Where the events of the Bible took place.**

Finding these places on a modern map puts their events in geographical context and brings them to life in our minds—reminding us that these events *really* happened, in *real* places, on *this* earth. The events of the Bible center around the **Holy Land** in modern-day **Israel** and **Palestine**. Almost the entirety of Our Lord's earthly life was spent in this region: Bethlehem, Nazareth, Jerusalem, and the surrounding areas.

Our Lord also spent a period of His childhood in **Egypt**, to which He and His family fled when escaping the wrath of Herod. Egypt appears in many places elsewhere in the Bible, particularly in the Book of Exodus, where we see God's people in bondage to Pharaoh. Through the rod of Moses, God miraculously parted the **Red Sea** to lead His people to freedom. The part of the Red Sea referenced is the **Gulf of Suez**, which in modern times has been connected to the Mediterranean by the Suez Canal.

Other places we encounter in the Bible are a little harder to geo-locate on a modern map. For example, where in the world is...

Babylon? The site of the Israelites' infamous exile was located in the part of ancient Mesopotamia that is now modern-day **Iraq**. Iraq also encompasses other famous biblical locations such as **Ur**, the homeland of the patriarch Abraham, and **Nineveh**, the city that repented upon hearing the preaching of Jonah.

Philistia? Goliath and the Philistines may have disappeared as a civilization, but their name lives on as the epithet of uncultured oafs everywhere. Their home territory was mostly in modern-day **Israel**.

Galatia? Ephesus? Colossae? St. Paul's letters to the Galatians, Ephesians, and Colossians were written to various inhabitants of modern-day **Turkey**.

Corinth? The recipients of Paul's two Epistles to the Corinthians were located in south-central **Greece**.

Patmos? The island where the exiled St. John the Apostle wrote the Book of Revelation is located just off the coast of **Turkey**, but actually belongs to **Greece**. ~The Catholic Company

St. Clare Parish Choir will resume **rehearsals Wednesday, February 19th at 6 pm** at **St Wendelin Church**.

We welcome returning members and new singers! Please come join us.

The second quarter of the 2024-2025 fiscal year was a positive one for St. Francis of Assisi Parish. Your continued generosity resulted in nearly a \$30,000 increase in offertory collections. The fundraising efforts also showed an increase compared to the same quarter last year. Operating Revenue as a whole, when compared to the same quarter last year, rose by approximately \$60,000 this quarter. All positive markers for a vibrant cashflow. As would be expected the expenses also increased. Administrative expenses continue to account for close to half of total expenses. That is common in a service type industry.

St. Clare of Assisi Parish had a slight deficit for second quarter of fiscal year 2024-2025. One factor that contributed to this deficit was the timing of deposits, after year end due to the holiday. Operating Revenue was up \$4,000, which is encouraging. Also, Operating Expenses were down for this quarter compared to the same time last fiscal year. Both items are moving in the right direction, through your continued generosity we will close that gap and proceed to a surplus.
