Are you a High School Senior going to college this fall? Or the parent or grandparent of one? Moving away from home and adjusting to college life can be overwhelming. But a Catholic campus center can be your “home away from home” and help make that change easier. It’s a place to make new friends who share the same values, attend social events, study, and worship. Students can grow spiritually as well as academically. One student said: “Hands down, the best part of college for me was going to the Catholic center. I graduated with a 3.7GPA but I learned more there than on campus.” An easy way to connect to this ministry is to sign up for Newman Connection and they’ll make the connection for you! Contact St Joseph’s parish office to give your information. All they need is the student’s name, college, and city. The campus center will welcome the student and help transition to their new life. Your St. Joseph’s family sends our prayers as you leave and we look forward to your visits back home!
