## Jesus Welcomes Everyone

Jesus conquered evil, both physical and moral evil, by His mercy and love. This must be our strategy too. Whatever the evil around us, whatever the suffering it may cause us, we shall never overcome it by arguments and discussions or by taking a stand and adhering rigidly to it. This can only be accomplished by a delicate charity which understands the mentality, the tastes and the needs of others, and which knows precisely when to intervene, to condescend and to sacrifice itself for the good of another, even if the other is unfriendly towards us - only such charity can triumph over evil.
