## MESSAGE FROM FR. JACK GRAHAM, PASTOR

Several weeks ago I used this space to write about some upcoming changes in the schedules at Saint Mary and Saint Joseph. With the decrease in the number of priests serving in the Archdiocese, it is becoming more and more difficult for local parishes to continue to offer Mass on the frequency that they did in the past. Here in our collaborative, for instance, we now have one priest assigned to serve both parishes. At the present time, each Sunday we celebrate Mass at seven different times. Not only that, but those Masses also overlap so that it is not possible for one priest to cover all seven. When Fr. Culloty is with us, this schedule is manageable; even then, however, we are just one illness or injury away from having a problem. While Fr. Culloty is off on pilgrimage enjoying his retirement, I struggled to find enough priests to meet the demands of the current schedule. Next week I hope to be able to announce a new Mass schedule, a schedule that would allow me to better meet the needs of the parish using our current resources.

Before getting to the Sunday Schedule I have decided that this is a good time to make one other change. It may be hard to believe, but Easter will be with us at the end of this month. Easter is the most important day on the Christian calendar, and Holy week is the most important week. The high point of Holy Week is the Sacred Triduum. Those three days, Holy Thursday, Good Friday, and Holy Saturday bring to a climax the

great rescue mission that God launched to save us all. If you have ever participated in this most sacred time then you know how important and how powerful these three days can be.

Since my arrival here, we have celebrated the Triduum in both of our parishes. For the past several years, the Holy Thursday celebration has been a bilingual celebration along with our Brazilian Community. This year, because of the changes that we have experienced, I have decided that we will combine our services so that our two parishes will celebrate most of the Triduum together. This Holy week I have decided to celebrate Holy Thursday, the night we celebrate the institution of both the Eucharist and the Priesthood, at Saint Mary. The Easter Vigil, Holy Saturday, will be held at Saint Joseph. On Good Friday, Veneration of the Cross services will be held at both Saint Mary and Saint Joseph.

I know that change can be difficult. I do believe that these changes will not only help me to better meet the needs of the people of our Collaborative, but will also help me to do a better job of leading our people at these most important liturgical celebrations. Thank you for your support, and please continue pray for our two beautiful parishes.

God Bless,  
Fr. Jack Graham

## Kids' Question

### Who Goes To Hell?

### Answer:

*This week's question is challenging; however we are committed to answering all reasonable questions:*

This is one of the most confusing parts of our faith. How can it be that a God that we say is good and loving would allow anyone who He has created to suffer in Hell for eternity? The answer has to do with two things that we know to be true: First, God is love. Second, God loves and respects us enough to allow us to make our own decisions. That means that we are free to make our own choices. If these two things are true, Hell has to exist.

If a soul goes to Hell, it is because that person made the choice to go there. God wants us all to go to Heaven, but he loves and respects us enough to allow us to make the choice to love Him (that is to chose heaven) or to reject Him (to choose to be separated from Him). Since God is the source of all love, happiness, and joy, to be separated from Him is to be separated from those great goods. That is why Hell is a place of suffering. When we do the things that we call sins, we are making the choice to reject God's love and friendship; we are choosing to go to Hell.

# FORWARD in FAITH

## My Dear Friends in Christ:

The Catholic Appeal is an exercise of love.

Through the Catholic Appeal, we respond to our call to love God and one another, actively helping others to realize the hope for a better future. For many, the line between hope and despair is thin. The Appeal serves as a tangible sign of our concern for those in need and allows us to bring them the presence of the Lord, to heal brokenness and restore hope. For so very many, our outreach is the light that helps them find a way forward.

Pope Francis often cites St. Paul's call for us not to be complacent or grow weary of doing good. **With recognition of the many people who look to us for assistance, now, more than ever, I humbly ask for your support of the Catholic Appeal.** This year, I am hopeful that, as a family of faith, we may unite in our involvement because extraordinary participation will have an extraordinary impact for our neighbors in need.

Please know of my gratitude for your generosity and compassion. Together, we affirm our belief that suffering and disappointment can be transformed into new life through the power of our being witnesses and agents of Christ's unconditional love.

Asking God's blessings upon you and all whom you hold dear, I remain,

Devotedly yours in Christ,

*+ Sean, OFM, Cap*

Archbishop of Boston

# EXTRAORDINARY PARTICIPATION *creates* EXTRAORDINARY IMPACT

As Catholics, we are all called to be stewards of our faith. Every person's gift to the Catholic Appeal unifies our Archdiocese and weaves us together into God's tapestry of care. The urgency of need in our communities is great. Your generosity has an extraordinary impact on the life of the Church and its ability to touch, heal, and serve the thousands of lives in our Archdiocese through programs and ministries such as these:

## HOSPITAL CHAPLAINCY

Gifts to the Catholic Appeal serve thousands of lives across the Archdiocese through ministries like our hospital chaplaincy programs that bring pastoral care, spiritual guidance, and sacraments to patients and health care workers in dark hours of crisis.

No matter the hour, chaplains bring compassion, support, and love to those who are facing fear, illness, and even death. They minister to staff and strengthen them spiritually as they care for others. They walk with families through times of great joy and great sorrow. They carry a sense of calm and peace into moments of crisis, relying on the power of listening and their quiet presence to communicate Christ's loving companionship, even in the darkest hours.

---

*"We see a lot of trauma incidents. Some nights we may get called 2-5 times to a bedside. We spend time with the patient and family and simply comfort them. And then we use our discretion as to when to leave them alone."* — Fr. Ignatius Nge, Hospital Chaplain

---

Through the Hospital Chaplaincy program, Catholics and non-Catholics experience comfort and grace and come to know that they are not alone.

## PARISH VIBRANCY

The Catholic Appeal fortifies our parishes so that each congregation's unique culture can flourish and grow in vibrancy. Diverse parish ministries and programs foster connectedness where every person can feel a sense of belonging.

---

*"Parishes are families made up of families. And as families, we have to support each other and build each other up so that we can all thrive together. That's what the Catholic Appeal does, in my view – it allows us to help each other thrive."*

*The Appeal supports us behind the scenes; there are so many things that are hidden, that people don't see when they come to Mass on Sunday. But, if we don't have them, we don't function. We don't thrive."* —Fr. Marc Bishop, Pastor of the Catholic Parishes of Arlington

---

It is in our parishes that our faith comes alive in holiness and happiness, where we share each other's burdens and celebrate the milestones of life. Where the Gospel is proclaimed and where believers are formed. Where we find a continual font of support for our Christian discipleship.

Parishes are communities of mission, purpose, and action; they are the home of our Christian communities and the heart of our Catholic Church.

## VOCATIONS

Appeal contributions sustain vocation and youth ministry programs where the next generation is formed and prepared to lead our Church.

Vocations are integral to the life of the Church. Through the Office of Vocations, a new generation of priests and deacons are formed and supported to lead our Church forward in faith. Others are called to joyfully explore the potential of God's call on his or her life and be supported in their prayer and discernment. Gifts to the Appeal are vital in the active promotion of vocations by which each of us learns of God's intricate design on our lives.

---

*"We accompany every year dozens and dozens of men, young and old, who hear that faint question and feel that subtle nudge – 'could Jesus be inviting me to follow after Him, and to love His people, as a priest?' Because of your help, we are able to admit over 12 men to our seminaries every year – where they are formed to become priests who will bring Jesus to you and your families."* —Fr. Eric Cadin, Director of Vocations

---

Through the Office of Vocations, the perpetuation of our Catholic faith finds hope as young men come to hear God's call and follow Him.

**Let's move Forward in Faith together with a gift to this year's Catholic Appeal.  
Help to share Christ's hope and love with all those who seek it.**

*If you have received Cardinal Seán's letter in the mail and already made your gift or pledge, thank you! If not, there are several ways you can participate in the 2024 Catholic Appeal:*
