VIRTUAL YOUTH SERVE FOR RELIGIOUS ED STUDENTS

Many of you know about the Diocesan summer program, VCYS, during which Vermont teens spread out through the Burlington area, serving the needy. In the spirit of VCYS, we're doing a Virtual Youth Serve. We can still serve the Lord's people even when we're stuck at home. Each day, we'll post a daily challenge for ways teens can serve their community and/or household. <https://www.facebook.com/vermontcatholicyouth/>

COVID-19 UPDATE

Last week, Vermont Governor Phil Scott issued a "Stay Home, Stay Safe" order and directed the closure of in-person operations for all non-essential businesses. The Governor's order directs "Vermonters to stay at home, leaving only for essential reasons, critical to health and safety. If leaving the home, Vermonters should adhere to social distancing policies, including remaining six feet from others (except for those with whom they share a home) and thoroughly and regularly washing hands.

Effective March 25, 2020 at 5:00pm, all businesses and not-for-profit entities not expressly exempted in the order must suspend all in-person business operations. Operations that can be conducted online or by phone, or sales that can be facilitated with curbside pickup or delivery only, can continue."

In keeping with the order, Bishop Christopher Coyne has directed that all Catholic churches, chapels and shrines throughout the state be closed as of 5 p.m. March 25th, and that all "non-essential" employees of the Catholic community (as defined by the governor's order) work remotely if possible.

HOW TO PRAY THE TV MASS FROM HOME

Creating a sacred space to reverently watch the mass in your home

Create a prayer altar under your TV or streaming device. Consider setting a crucifix or other sacred art in the prayer space.

Open your bible to the gospel of the day and place it on your "home altar" to remind you that the Word of God is among you.

Light a candle to symbolize the beautiful light that shines in the darkness and to help your home resemble the Church.

Set up chairs like a pew to help you engage in the mass and keep you from passively watching from the couch.

Get dressed as you normally would when attending mass. Keeping this routine is especially helpful for children.

If you have holy water at home, bless yourself and your family before you begin the mass.

Take a few moments of silence to transition from the busyness of your home to the sacredness of the mass.

Fully participate by standing, kneeling, sitting and responding according to the rubrics of the mass.

Engage in community by having coffee and breakfast with your family after mass or by calling your loved ones to connect.

Message from Fr. Rick,

Palm Sunday

Greetings in Christ Jesus Our Lord!

Until this year, I always thought of Holy Saturday as the strangest day of the year.

Not anymore, not after the past month or so.....

I recently saw a bit of wry humor about these strange times we are living through..... March 2020, someone observed, had been a very long YEAR! And it's not over yet! Very likely, the Stay Home/Stay Safe order issued by VT Governor Phil Scott is going to be extended beyond April 15th, and likely well beyond that date.

This has been an incredibly frustrating, anxious time. Many of you are now unemployed, or are now working sharply reduced hours. Businesses are now closed or operating at reduced hours. Even our Churches are closed and public Masses largely eliminated, all in an effort to stop the spread of this "unseen enemy." But we can, indeed we must, Pray.

We can still go out for walks, (keeping Social distancing!) We can gather our families and read the Scriptures or make use of the many online resources that the Church encourages us to use to help nourish and sustain our faith. This weekend, of course, is Palm Sunday, the beginning of Holy Week. Palms will not be distributed this weekend, but, please God soon. Blessed Palms will be distributed as soon as we can after Public Celebration of Mass is again allowed!

In the meantime, this weekend take time to prayerfully read Saint Matthew's account of Our Lord's Passion. As you read, recall the words of that haunting Spiritual "were you there when they crucified my Lord?" Because, yes, you were there, and, yes, He is here now with us!

Please note Confirmation has been postponed until the fall. A new schedule of Confirmations will be published as soon as possible after the pandemic passes. Likewise, First Reconciliation and First Holy Communion are also postponed until after all restrictions have been lifted.

I want to thank everyone who has called, dropped off food, or sent notes expressing their prayers and concerns for me. By God's Grace, I am well!

THANK YOU to all who continue to provide Financial support for Saint Francis Parish!

This too shall pass! And How sweet it will be when we can again be together to celebrate the Mysteries of our Holy Catholic Faith!!

Saint Francis, Pray for us!

LOOKING FOR TOILET PAPER

Thanks to Andrew Robbins for purchasing toilet paper. There is a box of toilet paper on the front porch of the rectory. Please feel free to stop by the rectory front porch and pick some up if you need it. Also on the front porch is the latest issue of Vermont Catholic Magazine. Help yourself and stay safe!

CHECKING IN ON EACH OTHER

Visits to the sick have been suspended until further notice. If you are an Extraordinary Minister who brings Communion to local residents, consider making phone calls to those people you normally visit to check in with them and pray with them over the phone. Perhaps it will boost their spirits and yours, too! We encourage all parishioners to check in on each other, especially those parishioners who may not have internet access to receive these updates. Continue to pray for each other during this time.

GUIDELINES FOR LENT

The time of Lent is to be observed by Catholics as a special season of prayer, penance and works of charity. Ash Wednesday & Good Friday, in particular, are the most important penitential days of the liturgical year. They are days of both fast and abstinence. All Fridays in Lent are days of abstinence.

The rule of fasting states that only one full meal a day can be taken. Two small meals, "sufficient to maintain strength", are allowed, but together they should not equal another full meal. Eating between meals breaks the fast, but drinking liquids does not. The rule of fasting obliges all Catholics from 18 to 59.

Abstinence refers to the eating of meat. The common estimation of the community is used to determine what falls under the category of meat. The rule of abstinence binds all Catholics 14 years or older.

The substantial observance of the laws of fast and abstinence is a serious obligation. Self-imposed fasting on the other weekdays of Lent is recommended. Abstinence on all Fridays of the year is also highly recommended. Parents and teachers should see to it that even those who are not bound by the laws of fast and abstinence because of age, are brought up in an atmosphere that is conducive to a sense of penance.

SPIRITUAL RESOURCES

During these challenging times, Catholics can still participate in devotions and worship remotely by tuning into daily Mass at 12:05pm and Sunday Mass at 10:00am on Sunday, live rosary at 11:15am, as well as many other spiritual engagement activities. You can access these live-streams from our website: <https://www.stfranciswindsor.org/mass-times>

HELP YOUR NEIGHBORS DURING THE COVID PANDEMIC

The Windsor Area Covid Response Team is a coalition of professionals and citizens dedicated to helping the community meet the challenges of COVID-19 in a way that promotes the health and well-being of the community while keeping people safe and helping them have access to necessary services. The Windsor school system, Windsor town government, Mt Ascutney Hospital and Health Center, the Windsor Improvement Corporation, the Windsor Resilience Committee, Windsor churches and citizens comprise the core response team.

We are working as a team to provide support for access to food, medications, financial assistance, communication about COVID-19 and compassionate connections by phone for people who are vulnerable and in quarantine.

We have created links through a google doc., special e-mail and phone # so **that people can ask for help and volunteer help.**
