FEAST OF FAITH

The Opening Prayer

At the conclusion of the Introductory Rites of the Mass, the presider says or chants the words “Let us pray,” followed by the Opening Prayer. This prayer is also called a “collect” because it gathers or “collects” the prayers of the entire assembly into one. The Roman collects that we pray in our liturgy—noted for the brevity, clarity, and conciseness of the Latin originals—date from a variety of periods. Some are quite new; others reach back more than a thousand years. They are truly treasures of our tradition.

The Opening Prayer can be divided into four main parts: 1) the invitation, or “Let us pray”; 2) the silence that follows, during which each member of the assembly lifts up before God his or her own prayers; 3) the collect itself, spoken or sung by the priest; 4) and finally the Amen, by which the assembly says, “yes,” “may it be so,” making the prayer their own.

The collect itself almost always follows the same pattern. It begins with an invocation to God. A petition follows, usually very general. We ask for health, strength, wisdom, grace, forgiveness, faith, awareness. Every collect concludes by offering the prayer to God through Jesus Christ. With the Amen of the assembly, the Introductory Rites of the Mass come to an end.
