ST. ANDRE BESSETTE PARISH

CAMPAIGN PARISH PROJECTS

We find ourselves quite blessed at St. Andre Bessette Parish as our three churches and facilities give us beautiful and safe places to carry out our spiritual journey. We have faced challenging times in 2020, but those only make the *Christ Our Hope* campaign even more important for both our parish and the Catholic Church in Vermont.

With help from the 60% of funds that our parish raises, we can first address the impact of lost offertory and then evaluate how to respond to the following needs as our faith family continues to celebrate our Christian fellowship together:

St. Vincent de Paul church:

- Replacement of basement windows
- Replacement of furnace
- Replacement of railing

St. Vincent de Paul rectory:

- Replacement of multiple windows
- Insulation and winterization work
- Exterior painting

Sacred Heart church:

- Replacement of door at handicap entrance
- Replacement of front sidewalk

Sacred Heart hall:

- Replacement of steps at fire exit

St. Ignatius hall:

- Repair and refurbishing of hardwood floor

St. Ignatius church:

- Painting
- Repairing the railing

Pastor's Message

"Dear Friends: Our Christian life is hoping for Christ's coming. 'We have this **hope** as an anchor for the soul, firm and secure (Hebrews 6:19).' For His coming, it is obvious that our hearts are ready in faith. We have a community of St. Andre Bessette parish which is rooted very strongly in faith by the intercession of our Patron. With the blessings of our Patron, we are going to work together to make our parish vibrant. The *Christ Our Hope* campaign is a tool towards achieving our goal. We have some projects in each church, and 60% of our funds collected through this campaign will surely help our parish to grow. I appreciate and admire your generosity. You have been very good in helping our parish."
