January 2022

Hello!

For a month a 27 year old mother of 3 was missing. Search teams went out is the open ranges and hills 3-4 days a week. With little success in finding her. The tribal unit and volunteers gathering on our parking lot and sent out groups to walk search patterns. Her remains were finally found on Feb. 8. May the family know closure and peace...and eternal rest for Tia.

The youth of the church played Bingo...virtually! Vana set up the zoom and Pru was the “caller” with numbers called on her phone. Prizes were awarded and marked for each game and given out when they came to Mass Sunday.

January was rather quiet after the months of October, November and December. But like the wind, it fly by too quickly.

May you be blessed abundantly,
