DEACON'S CORNER

The recent news about the earthquakes in Turkey and Syria has been alarming. I've heard that these have been the deadliest earthquakes in the history of mankind. It breaks my heart. To add to that, I've come to realize that the war in Ukraine has been going on for a year already. I can't imagine how life has changed for all the refugees.

In times like this, many of us want to help. But, it is a

somewhat confusing process, and there are many avenues. If you are so inclined, I'd like to suggest Catholic Relief Services <https://www.crs.org/>. Making a donation through CRS ensures that the funds are used in a way that upholds our Catholic teaching and values. By giving to CRS you may direct your donation to specific causes, like the earthquakes or the refugee efforts, or you can let them decide where the funds are needed most.

If you would prefer to keep your donations local, we will again have the food containers available during Lent. All donations received through though they will go to benefit our food pantry. Food supply for our pantry through our normal continues to be scarce. We often times need to turn to retail suppliers when it comes to providing some of our staples. Your cash donations have been very helpful.

The people of our parish never cease to amaze me their generosity. May God continue to bless you always.

Blessings,
Deacon Todd
