MAKING AN IMPACT

“ The Xavier Booster Club has been a tremendous champion of our performing arts programs. From concert attire and instruments to our new equipment trailer, their support makes a visible difference. We are incredibly grateful for their latest investment in a new set of StageRight platform risers. This upgraded system replaces our aging equipment and provides a top-tier, reliable performance materials for our growing student body; not just in show choir, but for events across the entire Xavier Catholic School System. ”

Phil Schroetter, *Director of Choral Activities*
Fine Arts Department Chair

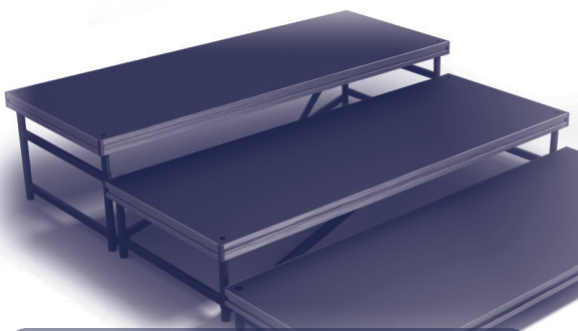

MAKING AN IMPACT

FINE ARTS

" The booster club is the lifeline of our extra-curricular activities here at Xavier. Without their generosity and support, we could not provide our activities with the necessary resources to continue achieving at a high level. They are one organization that truly supports all activities here for the betterment of one community and the students!"

The Xavier Booster Club has contributed over \$57,500 to the Fine Arts department over the last three years. With about a 1/3 of Xavier Students being involved in Band, Show Choir, Vocal, Drama, and Speech. It's important that they receive the funds needed to support their endeavors allowing them to perform at a high level. Whether its replacing aging equipment, or new choral attire, we believe the arts are an essential part of Xavier High School and are committed to continued assistance in order to bolster these programs.
