Helpful Information:

1. First Eucharist Sacramental Preparation sessions are all a family session model and will be held 1 time per month.
2. We ask that **at least 1 parent** stays with their child who is preparing for First Eucharist.
3. Childcare will be available during the session for children not in sacramental preparation.
4. Each session begins with families attending the 10:30 Mass. After Mass, we will meet in the Parish Hall.
5. Lunch will be provided for each Family Sacramental Preparation Session.
6. Regular attendance is required as a pre-requisite for the child's reception of the sacraments.
7. Family Faith Session and Parent/K-8 Session attendance is strongly encouraged. Sacramental Preparation families may choose to attend the 4:30 or the 5:45 session. No registration required (subject to change).
