St. Patrick Catholic School Board

I. Rationale

A central aim of Catholic teachings is to help students understand that a person's worth is defined by the qualities they possess as individuals, not by their material possessions. While clothing choice can reflect feelings and attitudes and affect actions and behavior, it does not define the real value of a person. To that end, students attending St. Patrick Catholic School are required to dress in accordance with the St. Patrick Catholic School Dress Code that:

- Supports student equality, health, safety, and individual dignity based on character rather than appearance
- Maintains a Christ-like atmosphere and proper academic tone
- Reduces social pressure and superficial competitiveness among students
- Provides cost effective and durable clothing for our school environment

2. Second Offense: Student will be required to immediately contact their parent/guardian to bring the proper attire for the student to be in accordance with the dress code. A meeting with the parent or guardian may be scheduled when a third offense of the dress code occurs.
3. Repeated or continued violations of the dress code may result in a student's "Special Occasion" or Charger Day privileges taken away.

The administrator has the final word regarding the acceptability of a student's appearance. Attire deemed to be inappropriate or distracting by the administrator is in violation of the dress code.
