

CLOVER PATCH NEWSLETTER

October

2025

What we are learning:

In September we learned and practiced our classroom rules and expectations, and will continue to talk about these important things that make our class run smoothly.

We have practiced our names, tracing and writing, practiced (or were introduced to) scissor skills, and practiced using glue sticks. Our 3 and 4 day classes have glue and scissors available each day at the writing center, along with a variety of papers, pictures, stickers, and other items to spark creativity!

We have learned all about the letters C and A, and have practiced these letter sounds as well as writing these letters. For October, we have begun the letter O, and will then study the letter D.

We finished our Apple study, and have talked about fall, and the seasons changing. We have read many books and learned lots of songs about fall! We are continuing to talk about fall and the leaves changing colors, and will learn about friendship, fall animals and Halloween! We will assess some of our skills for conferences and get ready to show our families some of the things we have been learning! (Our 2 day class does not do conferences in the fall, but please feel free to email me if you have questions on how your child is doing in class!)

We have been counting and practicing number recognition, and have been talking about patterns. We also have begun our "Leader of the Day" and this friend gets to help with all sorts of daily tasks!

Please check email and Seesaw for important updates and reminders about our field trips, parties, and conference sign up!

Reminders

If your child has an October birthday, and they would like to bring treats to celebrate, please send me a message so that we can get it scheduled. (Optional but always welcome) :)

Also, please remember to send a labeled and filled water bottle to school daily! :)
