## What we are learning:

Happy December! We hope you had an amazing Thanksgiving break with your families, and are enjoying our first taste of winter weather. We are ready to kick off the holiday season, and it sure is starting to feel like Christmas!

In November, we studied the letters N and T, learned about hibernating and nocturnal animals, and learned about why we celebrate Thanksgiving.

We will continue counting and practicing number recognition, talking about patterns, and practice counting by 5's and 10's. We will also continue "Leader of the Day" and this friend will assist with all of our classroom jobs for the day.

This month, we will also learn about Advent, read books about Christmas, and talk about all of the events leading up to Jesus' birth. We are excited for all of the fun things we will do this month to celebrate!

We will be studying the letters D and J, continue practicing our names, learn a new pattern on our daily calendar, practice cutting, painting, and writing skills, explore a new holiday sensory bin, play some holiday games, and of course, sing plenty of Christmas songs!

We will have in-class pajama and Christmas movie days (please watch for more info) and will have class Christmas parties that families are invited to attend! We will sing some songs, decorate cookies, play games, and have crafts available for families to do together! Please watch for more information on Seesaw and in emails. Please let me know if you have any questions. It will be a fun and busy month!

## Reminders

If your child has a December birthday, and they would like to bring treats to celebrate, please send me a message so that we can get it scheduled. (Optional but always welcome! :)

Also, please remember to send a labeled and filled water bottle to school daily! :)

**\*\*Please check your child's take home folder daily, and send empty folder back to school. (Please do not leave folders in daycare!)**

**Please send snow gear in a waterproof bag that will fit in their cubbies at school. We do our best to dry out clothing after use, but please check and dry the items each night!**

**Please also make sure to send dry shoes with your child so they do not have to wear wet boots around the building all day.**
