

# CLOVER PATCH NEWSLETTER

February

2026

## What we are learning:

Happy February! We are excited for this month of love, friendship and fun!

We will begin this month learning about friendships and families, and how all families are different but special. We will learn the letter F f, and review all of our past letters we have learned. We will make our own flowers, make pictures of families, and talk about many other words beginning with F!

We will also study the letter L l, and talk about how Valentine's Day is to celebrate love and friendship. We will celebrate Valentine's Day in all 3 classes this month with a party and passing out cards and goodies to our friends. Please have your child make/ decorate a box or bag with their name on it and bring it in prior to their class Valentine's Party. If they would like to give Valentines to their friends, please help them write: to: friend, love: (child's name) and bring one for each classmate. 2 day class has 14 friends, 3 day has 15, and 4 day Pre-K has 20!

Our next letter for the month will be Vv! We will tie this letter in with Valentine's celebrations and make some fun crafts! We will also explore a new Valentine sensory bin, talk about rhyming words, continue counting by 2's, 5's, and 10's, and continue writing our names daily. We will work on patterns and play some fun learning games to review our skills.

February is also Dental Health month and we will be talking about the importance of keeping our teeth clean and healthy. We will do some activities involving dental health, and hopefully have a dentist come and visit our 4 day pre-k class!

This month will definitely fly by, and we are hoping for some better weather so we can spend more time outside!

## Reminders

If your child has a February birthday or ½ birthday, and they would like to bring treats to celebrate, please send me a message so that we can get it scheduled. (Optional but always welcome) :)

Also, please remember to send a labeled and filled water bottle to school daily! :)

**\*\*Please check your child's take home folder daily, and send empty folder back to school. (Please do not leave folders in daycare!)**

**Please send snow gear in a waterproof bag that will fit in their cubbies at school. We do our best to dry out clothing after use, but please check and dry the items each night!**

**Please also make sure to send dry shoes with your child so they do not have to wear wet boots around the building all day.**

**At this time of year, folders sometimes need replacement! Please check and make sure your child has a functional folder each day!**

## Upcoming Events

- February- Dental Health Month
- February 12- 2 day class Valentine party
- February 13- 3 day and 4 day Valentine parties
- February 14- Main Event
