

CLOVER PATCH NEWSLETTER

March

2026

What we are learning:

Happy March! We have finally made our way to Spring, and are looking forward to fun activities, Spring Break, and lots of fun activities!

We will begin this month by celebrating Dr. Seuss with some fun dress up days and silly books! Please see our Seesaw app for the dress up days if your child would like to participate.

We will also finish the letter li, and begin learning about the letter Ss! We will start this letter before Spring Break, and will finish it by learning about Spring and doing a couple of fun St. Patrick's Day activities. We will also begin to study buildings and construction later this month, and will learn about the letter Bb!

We will continue counting by 2's, 5's, and 10's, and continue writing our names daily. We will work on patterns, recognizing larger numbers, and will play some fun learning games to review our skills. In our older classes we will practicing writing numbers, as this is a difficult skill to master! We will explore a new spring sensory bin, and then a construction bin with construction vehicles and building materials.

For religion, we will be learning about Easter, reading some Easter books, and will begin learning about the Easter story through our Resurrection Eggs each day during large group time.

With Spring Break and conferences, this month is sure to fly by! We are looking forward to warmer weather and spring!

** For students not attending kindergarten in the fall, I will be emailing you a brief summary about how your child is doing in preschool. I will also send home a folder of assessments/ learning items we have been collecting. Please let me know if you have any questions or concerns, and I appreciate your understanding in not holding a formal conference. :)

Reminders

If your child has a March birthday or and they would like to bring treats to celebrate, please send me a message so that we can get it scheduled. (Optional but always welcome) :)

Also, please remember to send a labeled and filled water bottle to school daily! :)

****Please check your child's take home folder daily, and send empty folder back to school. (Please do not leave folders in daycare!)**

Please send snow gear in a waterproof bag that will fit in their cubbies at school. We do our best to dry out clothing after use, but please check and dry the items each night!

Please also make sure to send dry shoes with your child so they do not have to wear wet boots around the building all day.

At this time of year, folders sometimes need replacement! Please check and make sure your child has a functional folder each day!
