THE LETTERS OF SAINT PAUL

Who were the intended recipients of St. Paul's various letters?

What was the purpose of these letters?

What was St. Paul's message in each heartfelt communication?

How does each letter apply to our lives today?

Mark Hart (aka "The Bible Geek") breaks open the inspired words of St. Paul's faith-filled and thought-provoking messages to Christ's Church and His followers. (This 10-week study will also feature presentations by other notable Catholic Bible scholars.)
