### **Christ Our Hope**

### **Building a Vibrant Church Campaign**

### **Is Now Underway !!**

In the coming weeks every registered parish household will receive a mailing with a gift request letter signed by Bishop Coyne with instructions on how you can invest in the future of Corpus Christi Parish and strengthen the Catholic Church in Vermont. We understand that these are difficult times but as a church our needs have not diminished, they have increased.

We ask that you first consider an annual appeal gift and if you are not able to contribute to the campaign, please pray for its success. Then we ask you to consider our shared responsibility for the needs of our spiritual home, our parish and the future of our church. Finally we invite those who can give to prayerfully consider a sacrificial gift beyond their usual offertory. Thank you

### **October is the Month of Mary**

Devotion to the Blessed Virgin Mary is vital for growth in the spiritual life because Jesus gave Mary to us as our mother as He was dying on the cross on Good Friday. For centuries, men and women have sought her intercession and every saint has had a devotion to her. During the month of October, I want to honor the Blessed Mother by praying the Rosary just after Mass as a “Rosary of Thanksgiving” for the gift of the Holy Eucharist. Please stay after Mass and join us. It will just be for the month of October. The more one honors Our Lady, the more she leads one to her Son, Jesus and the more one grows in holiness.

### **Activity of your local Knights of Columbus Council #421**

Leftover baked goods from Price Chopper are picked up twice a week and donated to the local food shelf in the names of Corpus Christi Parish and Price Chopper.

Thank you

Bill Young

Please pray for our diocesan seminarians. You will notice the poster with this year's seminarians at the entrances of all the churches. There are also prayer cards for the taking

### **Focus**

#### ***(Fellowship of Catholic University Students)***

It gives me great hope to know that there are Catholic young adults who are devoting their lives to the Gospel of Jesus Christ. FOCUS missionaries work on college campuses and help Catholic students grow in their faith. They are also involved in helping nonCatholics join the Church.

I have been supporting Liam Coulter who is originally from Essex Jct., and is a FOCUS missionary at Columbia University in NYC. Every week he gives me an update on his ministry. This week he said: *"This week was another great week of mission. This weekend we had many students come to the monthly Witness for Life which was a powerful experience. We were also blessed to be visited by some FOCUS missionaries from the South Area, which was an incredible witness for some of our students who are considering applying for staff."*

If you would like to support Liam, please visit: [www.focus.org](http://www.focus.org).

*They are praying for your prayer petitions you leave at the Adoration Chapel!*

### **Secular Franciscan Order**

*"Start by doing what's necessary; then do what's possible; and suddenly you are doing the impossible."*

St. Francis of Assisi

For more information about the Franciscan Third Order at Corpus Christi Parish, please contact Anita Wellman at 751-5318.

### **Visiting Priest Next Weekend**

Fr. Charles Collins of Cross Catholic Outreach will be visiting our parish next weekend to speak at all Masses on behalf of the poor in developing countries. Cross Catholic Outreach was founded to create a meaningful link between parishes in America and the priests and nuns working in the Church overseas.

### **St. Nicholas Project**

The St. Nicholas Project is an association of Catholics who support the Kurn Hattin Homes for Children in Westminster, VT with material and financial donations. Founded by Fr. Harlow in 2015, we have promoted the good works of the children's home. From the blog posted entitled, "Charity is Beautiful."

*"Fall in Vermont is quite stunning. The leaves change color quickly and with some rare warm days in October, it's been a pleasure to be outdoors taking it all in. We are not alone. There are "leaf-peepers" slowing down the traffic throughout the towns and villages, hoping to get that perfect glimpse and photo of our striking foliage. I, too, am struck by its beauty every year.*

*Where there is beauty there is also excitement. The same thing can be said about being a donor to The St. Nicholas Project. An act of charity is both beautiful and exciting. Supporting the Kurn Hattin Homes for Children is one of the most beautiful activities taking place this fall throughout Vermont--and it doesn't even slow down traffic on our Vermont country roads*

*I received some very beautiful donations this week: a trombone for the music department; Bombas socks for the boys and girls in the cottages; a bag full of games; and, some financial donations. Each of these donations was exciting for me and I will be driving them down to the children's home in about two days.*

*Along the way, I will admire the fall foliage and the excitement of seeing those vibrant colors around every corner. But, I will be mostly excited about delivering these donations to the children's home where I know they will be so grateful to receive them.*

*Charity is beautiful. And a charitable donation to the Kurn Hattin Homes for Children is an exciting way to celebrate the fall foliage season. Please make a donation to the Kurn Hattin Homes for Children today!"*

### **Year of St. Joseph**

*"It doesn't matter to St. Joseph that he isn't center stage. Jesus loves this about St. Joseph. The humility of St. Joseph is a witness to his greatness!"*

St. Peter Julian Eymard
