Cause of Canonization for Bishop Louis de Goësbrind

Bishop Coyne formally announced the intention to open the cause of canonization for Bishop Louis de Goësbrind. The first step in advancing the cause is to develop and foster the devotion of the faithful toward Bishop de Goësbrind. To that end, a holy card has

been created with an image of Bishop de Goesbriand and a prayer on the back. In the coming weeks, prayer cards will be available in the churches for you to take home.

Good Shepherd Catholic School News

I'm hosting a **BOOK DRIVE**
for our teachers at
Good Shepherd Catholic School!

Let's start the school year off encouraging our teachers as they work to accomplish one of the hardest, most meaningful jobs that exist. Through uplifting devotions, Scriptures, and prayers, teachers will be reminded of God's love and care for them. They are never alone—they are making a difference, students will remember them for years to come, and most importantly, this world's future is better because they are investing in it. We have 15 teachers at our school, and I want to share this devotional with every one of them. I am asking for a \$10 donation per book. You can help cover the cost of one or more books - whatever amount you feel God is calling you to give for our teachers is appreciated. I would love to have all teachers financially supported by August 15th so the books will arrive before the school year starts. To support this book drive you can call or text Paige Lindholm at (920) 323-5551. I am able to accept cash, check, and/or Venmo for payment. Thank you so much for your support!! ~ Paige Lindholm (Parishioner of St. Elizabeth)

Registration is still open for new students for the upcoming school year. Please contact the Principal Lynn Cartularo at the school for more information: 751-8223.

Also, follow us out on Facebook and Instagram to see some inspirational photos!

On Saturday, August 20th, the Knights of Columbus will sponsor a panel discussion on Proposal 5, also known as Amendment 22. It will be held in the Fr. Lively Center from 9:30 A.M. to 12:00 noon. Representatives from Vermont Right to Life, Vermonters for Good Government, the Vermont Family Alliance, and the Diocese will speak.

AFFIRMING A CULTURE OF LIFE

When does life begin?" This used to be a serious question in the abortion context. 246 years ago, when the Declaration of Independence affirmed the right to "life, liberty, and the pursuit of happiness," the general answer was that life began at "quickening," that is, when the child in utero began to move. Before quickening people didn't know what was going on in the womb. But once the child moved, it was accepted that "life had begun." From that point forward, abortion was prohibited everywhere.

Modern science now shows us that human life truly does begin at conception. The response from abortion supporters has been to simply ignore this evidence, and treat the child in utero as property of the mother. Whether the child lives or dies is the "choice" of the mother. This is a grave injustice and offense against humanity and the God who gives life.

Please vote no to Article 22 which would constitutionally guarantee the right of the mother to terminate her child's life through all 9 months of pregnancy.

Is God calling you?

We are in need of lectors for the 4:00 P.M. Saturday and the 11:30 A.M. Sunday Masses. Candidates must be Catholics in good standing with the Church. Please call the rectory office if you would like to be a part of this important ministry.

Totus Tuus would like to thank all those who donated snacks and drinks. Thank you to those who housed and fed the team. Also, thank you to the Knights of Columbus for donating money for water and for Friday's pizza and to Ed and Carol Zuccaro for donating money for ice cream sundaes and other needs. We couldn't have had the program without the help of these generous people.
