Good Shepherd Catholic School News

I'm hosting a **BOOK DRIVE**
for our teachers at
Good Shepherd Catholic School!

Let's start the school year off encouraging our teachers as they work to accomplish one of the hardest, most meaningful jobs that exist. Through uplifting devotions, Scriptures, and prayers, teachers will be reminded of God's love and care for them. They are never alone—they are making a difference, students will remember them for years to come, and most importantly, this world's future is better because they are investing in it. We have 15 teachers at our school, and I want to share this devotional with every one of them. I am asking for a \$10 donation per book. You can help cover the cost of one or more books - whatever amount you feel God is calling you to give for our teachers is appreciated. I would love to have all teachers financially supported by August 15th so the books will arrive before the school year starts. To support this book drive you can call or text Paige Lindholm at (920) 323-5551. I am able to accept cash, check, and/or Venmo for payment. Thank you so much for your support!! ~ Paige Lindholm (Parishioner of St. Elizabeth)

Registration is still open for new students for the upcoming school year. Please contact the Principal Lynn Cartularo at the school for more information: 751-8223.

Also, follow us out on Facebook and Instagram to see some inspirational photos!

Panel Discussion on Proposal 5

On Saturday, August 20th, the Knights of Columbus will sponsor a panel discussion on Proposal 5, also known as Amendment 22. It will be held in the Fr. Lively Center from 9:30 A.M. to 12:00 noon. Representatives from Vermont Right to Life, Vermonters for Good Government, the Vermont Family Alliance, and the Diocese will speak.

AFFIRMING A CULTURE OF LIFE

Article 22, also known as Personal Reproductive Liberty, "has been sold to the legislators and citizens of Vermont as simply preserving women's abortion 'rights'... in the Vermont Constitution, but there is so much more danger hiding beneath the surface that has not been openly discussed.

The Vermont Right to Life Committee has analyzed the proposed language. VRLC has warned us that the wording will likely result in the following consequences for Vermonters after Court rulings and lawsuits filed by people or organizations with a particular agenda. (1) Vermont taxpayers money will fund most all abortions; (2) Vermonters will pay for most sterilizations and sterilization reversals; (3) Pay for expense associated with infertility and surrogacy; (4) Fund pro-abortion organizations like Planned Parenthood, who, along with ACLU, the Vermont Human Rights Commission (who called abortion a human right) and many staffers in the Vermont Attorney General's Office, helped to craft the language in proposal 5/Amendment 22." (Taken from *Christian Action Ministry Newsletter*)

Please vote no to Article 22 which would constitutionally guarantee the right of the mother to terminate her child's life through all 9 months of pregnancy.

Active Shooter Presentation by the Vermont State Police
