First Sunday of Lent

A covenant is a formal agreement between two parties. Assuming both parties enter into the covenant of their own free will, it is a bond that cannot be broken. As time goes on, that covenant will be tested and its validity questioned by skeptics, but it will remain if it is real.

God's covenant with his people is real. It began with a promise made to Noah and was renewed in the person of Jesus Christ. It has been tested by man through sin and by evil through Jesus' trials in the desert. But here in 2021, it still remains as strong as ever.

This Lent, take time to rediscover and reflect on this covenant God has with us. Reclaim your baptism and make it a motivating factor in how you live your life. Take the opportunity this Lenten season provides to increase your devotion and spirituality. You will be tested and you will suffer trials, for life is not always easy. But God has always upheld his part of the agreement. Now is the time to take our part in this covenant more seriously.

O T I M Y B A L Y T A		

MISSION

Memorize Proverbs 1:3, "You will learn what is right and honest and fair." Practice writing it and saying it every day, until you know this verse by heart.

COLOR

Read the Gospel of the week and color the image.

DRAW

Draw a picture of Jesus helping you remember Bible verses.

GOSPEL

In today's Gospel, Jesus spent forty days in the desert. Jesus stayed close to God, and he followed God's directions every day of his life. When Satan came to test Jesus he was ready. Jesus passed every test beautifully. He said "No" to temptation. When you write spelling words over and over, it is easier to remember them. If you are learning a new language, it helps to make flash cards to practice with. Once you memorize all your words, taking the test is pretty easy. The more you read the Bible and do what God asks in his word, the easier it will be for you to pass Satan's tests, too.

PRAYER

God, help me to stay close to you so that I am ready for my tests.
