

SACRIFICIAL GIVING RENEWAL

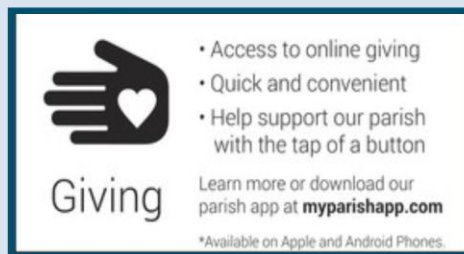

Thanks to all the good and faithful stewards whose consistent support of the parish is keeping the parish afloat during the pandemic. But over the course of the calendar year 2020, our total income in all categories was **\$126,000 lower than calendar year 2019**. If you have not been injured financially by the impact of Covid this would be a very good time to review your sacrificial giving. If you are able to increase your regular support by any amount it couldn't come at a better time.

We strongly encourage those who are unable to participate in Mass in person to begin giving electronically. Check out the information below.

ONLINE GIVING

There are two ways to access our online giving. You can find the "Giving" tab on the parish app or locate the "Online Giving" icon on our parish webpage. The instructions will direct you to our *Secure Online Giving Portal*. Follow the prompts to set up your account and you can begin online giving right away. You can set a recurring gift weekly or monthly. You can increase or decrease your gift at any time. You control the portal. It's a piece of cake!

Call the parish office if you need any help setting up your account.

Go to the parish app

Go to the parish website

Either way you go, you will be instructed to set up an Online Giving account. You will be directed to our Secure Online Giving Portal ***myowngiving.com***

MINISTRIES TO THE BEREAVED

We have had so many funerals in the last three months that it seems like a good time to look at opportunities to *console the mourning*.

We have a **Grief Support Group** that meets on the second Sunday of each month in the Knights Chamber. This is open to any individual who has suffered the loss of a loved one and is looking for ways to bear this burden. Those who have been coming will attest that when they listen carefully to what others share, their own burden seems a little lighter. *"I am not alone."* This meeting is between the Sunday Masses from about 10:15—11:15am. Refreshments are provided. Masks and safe distancing are strictly observed to keep a safe environment.

Funeral Dinner Serving Teams are made up of individuals who are willing to set up, serve food, and cleanup in connection with the meals we prepare for families following the Rites of Christian Funerals. With sufficient numbers of generous volunteers to make up more than one team, there can be time for each to take a break between funerals.

Funeral Dinner Side Dish Donations are a great way to help console the grieving. When you sign up to help you will go on a list of people we call before each dinner.

THANK YOU!

For the great side dishes provided for the many funerals we have had recently. Please remember to pick up your containers in the kitchen.

Congratulations!

COVID NEWS

We have had funerals in recent months for five individuals who succumbed to this virus. And we all know an increasing number of people who survived their bout with Covid or who are dealing with it right now. This includes all or many members of the same households. This calls for redoubling efforts to observe good hygiene, safe distancing, and wearing face coverings. Individuals who have personal opinions that make light of wearing masks need to wear them anyway because for at least the first few days many, if not most, people who contract Covid have no symptoms *but can spread the virus nonetheless*.

Whoever in Oklahoma has been responsible for the distribution and actual injection of the vaccines has done a very disappointing job. If the vaccine is as effective as advertised, the more people over 65 who get it will begin to significantly lower the hospitalization and the death rate since that age group accounts for a huge slice of the deaths. Vaccinations should increase through the country health departments and there is an online portal that enables you to call and arrange an appointment. You may have to drive a distance to get one, but it should be well worth it.

There is a faction among Catholics who have questioned the morality of taking these vaccines because their development may have involved the use of cells from aborted fetuses. **The Vatican and the Bishops of the US have made it clear that both the Pfizer and Moderna vaccines may be used without any worry of violating ethics or cooperating in abortion.** Avoid being led into believing there is a problem by being referred to certain websites or TV channels—even *Catholic* ones, or worse, social media posts.

With Deepest Sympathy

We offer our sincere condolences to the family and friends of **Jane Baltrush, Tom Mills Jr. and Phillip Moore** who were called from this world this past week.

Jane & Bill raised a family of three children since coming to the parish in 1977. She had so many parish friends who will miss her greatly.

Tom is the son of the late Tom Mills Sr. and his wife, Beth; and the brother of Mark Mills, all devoted members of this parish family.

Phillip supported our computers and other tech devices for many years. We owe him a debt of gratitude for the countless volunteer hours he put into these tasks. He was a choir member for many years.
