We are looking for some intercessory prayer warriors who will set aside a little time during the week to pray for parishioners (or close members of their families) who are seriously if not critically ill and need help from God to get over this particularly rough patch in their lives.

Please be sure to call the parish office when your loved one is on the mend so that we can make room for newly infirm people.

Most of these individuals are longtime members of our parish. Others are Catholics residing in long term care facilities within our parish boundaries to whom we bring Holy Communion. They could also be aided by your prayers.

TIME TO PLAY "CATCH UP"?

There are just two months remaining in our fiscal year which began on July 1, 2020 and ends on June 30, 2021. As you can see in the report below, our income has fallen off significantly no doubt in part to greatly reduced Mass attendance during the Covid Pandemic. Now that the Archbishop has reinstated the Sunday Mass obligation, our attendance should continue to increase. We are enormously grateful to the many members of our parish family who though absent continued to mail contributions in or made them electronically. May we kindly encourage those who have fallen behind to do their best to catch up during May & June. We also encourage those who can afford to do so to perhaps increase your giving by even a little.
