[Agrover@standrewmoore.com](mailto:Agrover@standrewmoore.com)**When should I request the Anointing of the Sick?**

- When a person begins to be in danger of death from sickness or end of life.
- The sacrament is not limited by age.
- At the onset of a serious illness.
- In the event of pending serious surgery, before being admitted to the hospital.
- If the ill person recovers but becomes ill again, or if their condition becomes more serious during the same illness.
- When someone is facing a dangerous medical crisis or emergency that was not anticipated.

**Important to note:**

- You don't need to wait until someone is near death to request the sacrament. A careful judgment about the seriousness of the illness is enough.
- The sacrament can be repeated if the sick person's condition worsens or they become ill again.
- Contact the parish office as soon as possible to request the sacrament, as Father may have other duties.
- You can ask for the hospital staff to request a priest.
- We can also add your name to the prayer list in the bulletin. (Let the office know once you are well and can be removed from the list)
- The Sacrament of Anointing of the Sick is for the living and cannot be administered after death.
- Call the office if you are going to be homebound and need someone to bring communion to you.

**Who should I call if I need to plan a funeral?**

- During regular office hours, Call and ask to speak to Father Francis at 405-799-3334.
- After hours you can leave a message with the Administrative Assistant, Jane Mitchell at 405-754-5301. She will make every effort to reach you.
