If you have any questions, please contact your school nurse at 610-399-1422. Immunization dates must be verified in writing by your Health Care Provider. The Chester County Health Department will provide immunizations free to any child who does not have insurance covering immunizations. Please contact them at 610-344-6468 for information. Failure to submit required information may result in exclusion from school attendance. Thank you for your attention to this important and time sensitive matter.

Sincerely,
