OUR FAMILY OF PARISHES MONTHLY FINANCIAL UPDATE

January is the beginning of our new financial year. We reset everything to zero and start a new year full of hope. We use financial information as a tool to manage our “business”, but our real business is to proclaim the Gospel and build the Kingdom, being led by the Holy Spirit.

The strong financial performance, our Parishes witnessed in 2025, has allowed us to grow our evangelization Mission. The 2026 budget, guided by our three fiscal pillars of accountability, stewardship and fundraising, was approved by the Pastor with support and guidance from your Financial Council representatives. All Tax Receipts were mailed in February. If you have not received it by now, please contact the office so that a duplicate can be issued.

Jenn's Monthly Happenings

I am not sure where the month of February went but it was definitely filled with blessings and growth. There were 2 schools still waiting to celebrate and welcome new students to be part of their school community for September: Gregory A. Hogan school with their KinderSTART event, and St. Patrick's High School with their Grade 7/8 Open House. The halls of the schools were filled with excitement and anticipation of what a new school and school year would bring. We are always so grateful for and welcome the invitations to participate in the St. Clair Catholic District School Board's events as our partnership and collaboration are a true blessing.

The Lenten season is another opportunity where we are able to share the story and message of Jesus and the meaning of Lent within our Catholic school communities. We were blessed to offer the distribution of Ashes to the youth, school staff, and families, and bring awareness to the change of the Liturgical season.

There are many prayers and Intentions being offered for the children who are preparing to receive their Sacraments of First Reconciliation and First Holy Communion. This is a very special time in the lives of 139 families in our Family of Parishes. Thank you for your thoughts and prayers as the children and their families continue on their faith journey.

The SBRCFP Faith Leadership Muskoka Woods Experience is gaining excitement and momentum as our Leader Training Sessions have begun. The leaders are preparing to spend a weekend with 80 Grade 7 Youth who are joining us on an incredibly impactful trip filled with faith, spiritual awakening, and many exciting activities. This trip will be here before we know it, and we can't wait!

As the Lenten season continues, I pray that we find time to prepare our heart and mind, as we await the miracle of Easter, and the great gift Jesus gave us.

Yours in Christ, Jenn

Justice, Peace and the Integrity of Creation (JPIC)

God's Blessings Embrace

Establishing Friendships ... It is understood that the source of earth's light is from the sun. The Spiritual source of light is God Himself, in the teachings of Jesus through the Gospel.

St Francis of Assisi was 100% correct when he wrote the Franciscan Rule # 4, we are "to go from the Gospel to life, and life to the Gospel." Furthermore, modern humanistic psychology is 50 – 50. It has been around for 70 years.

Scriptural psychology is 100% - 100%. It has been around for 2,000 years.

In the encouragement of God, we are blessed with the Spiritual gifts of the Holy Spirit of wisdom ... to see how to be in relationship with God and others, and counsel ... to guide others back to God (cf. CCC 1830-1831).

Justice ... We are justified only through God's mercy and love.

This does not mean that we are to suffer beyond reason. But to suffer not too much, by relying on the love of God and the support of your core group to be your "crutches" in times of need, as we recover from life's traumas and difficulties.

Through the Gospel, we learn that there is "no such thing as a hopeless case" (cf. Mt. 19:26; Lk. 1:37). As St. Francis and St. Clare knew, it is in understanding the Gospel and being close to God that we are healed emotionally, psychologically, and most important, Spiritually.

Peace ... "God works miracles when all can seem lost at times." (Anonymous)

As stewards of the earth, all elements of life are to be respected ... All aspects of caring for the environment that, in itself, we are deeply connected with for survival is absolutely necessary, as well as being open to the knowledge of those who are caring for the earth, like the Indigenous Peoples with their permaculture farming, and the Fire Fighters, and the Water Treatment Operators.

All aspects of human life is to be valued ... In our call to love God and our neighbour, and ourself (cf. Mt 22:37-39), we must ultimately seek what is the common good ... without counting our losses. For, at the end of the day, our gains far out-weigh our losses. Always.

In the Canticle of Creation by St Francis, we learn how Brother Sun, Sister Moon, Mother Earth are in Fraternity with us. To be in Fraternity meaning that we cannot live without our brothers and sisters. In the one Fraternity of the Kingdom of God, we are blessed, for we are never alone.

Justice, Peace and the Integrity of Creation (JPIC)

continued

Integrity of Creation ... The common denominator with the people of the world is the “Golden Rule” ... to “do to others as you would have them do to you” (Mt 7:12). For, “society is judged by how it treats its weakest members” (St. Peter’s Seminary, London, CA). We become a source of light of compassion and caring when we reach out to the other, who is also a source of light. The real meaning and value of what it means to be human is in seeing the core of sacredness in the other person. This is what God is calling us to do. This is our personal Mission. To be Christ-like and in the giving of ourself, there are no repayments.

In mercy and love, we are given God’s blessings ... God’s sacred and silent embrace.

Respectfully Submitted

St. Michael Quilting Group News

In January 2026 the St. Michael CWL Quilting Group was very pleased to be able to send \$1,000 each to two Missions that support Pikangikum First Nation Community.. Living Hope Native Ministry supports the work of Missionary Colleen Estes and Youth Assistant Missionary Nicholas Backlund, both living and working in Pikangikum, ON; and Artscan Circle brings music and the arts to Pikangikum Youth. It is with heartfelt gratitude that we thank everyone who supported our Quilt Raffle at the St. Michael CWL Christmas Market & Sale and also thank you to everyone who purchased quilts. The quilters happily continue their work to support their partnership with Pikangikum each Thursday at St. Michael Church.

The following is an excerpt taken from *Artscan Circle* year end 2025 newsletter.

“The Music Program in Pikangikum First Nation is thriving! This year, participants of all ages have had the opportunity to practice keyboard and piano skills in Artscan Circle’s after-school program, running Monday through Friday, under the guidance of Morris George-Ellington. In June, Artscan Circle’s Spring Recital was a remarkable success, drawing attendance from community members, educators, and first responders. In the fall, two crates of donated instruments were sent to the wider community. This December, in collaboration with Eenchokay Birchstick School, Artscan Circle hosted its Annual Christmas Recital. We are deeply honored to collaborate with Pikangikum and continually inspired by the dedication and talent of their students.”

The Quilting Group was also able to donate several baby quilts to the [Sarnia Pregnancy Options Centre](#). They were graciously received by staff at the Centre. We were informed that the quilts will line a “new baby gift basket” that will be filled with baby items for new parents.

Pikangikum Christmas Present Project 2025

THANK YOU! GICHI MIIGWECH!

Dear Friends,

The smiles on the faces of Junior and Anita Strang and their grandkids communicate well the joy that you all brought to our hurting families at Christmas! 12 churches and several individuals expressed the love of God through 350 individual gifts, gift cards, and paying for the charter plane! And our Christian Ed students were blessed with Beginner and Action Bibles!

A young man was helping me bring gifts. I asked him, "Did you get gifts when you were a kid?" He said, "No, never." "How did that make you feel?" I asked. "Unimportant." was his response. Yes, he got a gift. Thank you for helping our kids and adults feel important.

The joy was mingled with tears, in that many of the families who received gifts had had recent losses. I would say, "We know it has been a hard year. These gifts are from people who love Jesus and who are praying for you."

It was a delight to be able to bring presents to the Elders at our new Elder's Complex and have a Christmas Eve Service and party, complete with Santa Claus!

Christmas Day I hosted a family of 25 people for dinner. Their mom, in her 50's, had been away for two years with medical problems and is currently in a care center in Red Lake. There were presents for them all, thanks to your kind hearts!

My coworker Nick and I are very grateful for your ministry to our people. And we were very blessed by the presents for us as well!

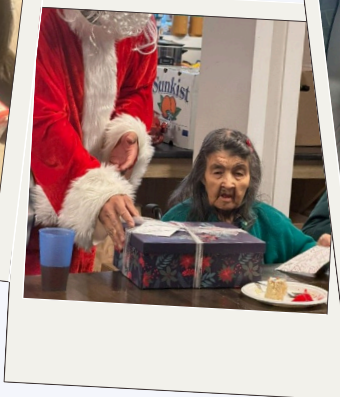

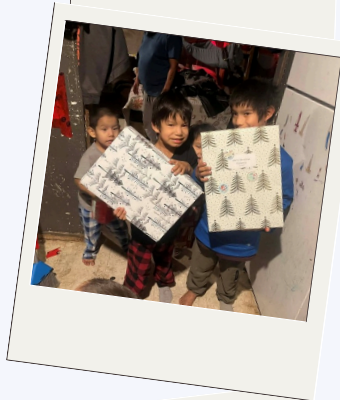

God bless you!

Migrant Workers Ministry

Where did the winter go for our Migrant Worker friends? I'm sure many of them are asking themselves how can time pass so quickly when they are at home with their families and friends. And now, so early in the year, many Workers are returning to Canada to work on farms and green houses in our community, growing food for our tables and plants to

beautify our homes and gardens. As they live and work in our community, we continuously thank them for their sacrifice and dedication. And what a blessing it is to be able to welcome them back and serve them once a month with a Spanish Mass and dinner at St. Christopher Church in Forest.

Soon Migrant Worker Ministry members will be making farm visits to welcome them back with pizza and a little visit to let them know we care and we are their friends and family during their time in Canada. The following dates have been scheduled for the Spanish Masses: April 12, May 10, June 14, July 12, August 9, September 13, October 11, November 8, 2026. Priests presiding for the Spanish Masses will be Fr. Eugene Roy, Fr. Frank O'Connor, Fr. Jason Kuntz. We are indebted to these priests for their dedication to Migrant Workers Ministry.

If you would like to help with driving Workers from Sarnia to the monthly Masses in Forest, setting up and helping at the meal or doing baking for these celebrations, please contact Vera Lawlor at vllawlor@cogeco.ca or 519-869-4389 or Donna Stewart at donna.stewart33@gmail.com.

Thank you also for your continued generous support for Migrant Workers Ministry through the Annual Toonie Collection. We couldn't do this wonderful outreach ministry without your financial support.
