Walking Field Trip Permission Form

It is customary for teachers to take classes on walking field trips in the community at different times during the school year. The purpose of such walks is varied. Students may observe neighborhood architecture, urban plants and animals or visit interesting places in the community such as the public library, local businesses and parks.

In order to allow flexibility for these activities, this permission will extend for the entire **2025-2026** school year. Teachers will notify the parents in advance about any scheduled walking trips.

Separate permission forms will always be used when any form of transportation is involved.

I hereby give permission for my child _____ in grade _____ to participate in supervised neighborhood walks during the **2025-2026** school year.

We hereby release and save harmless **Blessed Sacrament School** any and all of its employees from any and all liability for any and all harm arising to my/son/daughter as a result of this trip. In case of an emergency, I give permission for my child _____ to be taken to a physician by either a parent in charge or by school personnel. I understand that every effort will be made to contact me. If I cannot be reached, I give permission to the physician to secure proper treatment (including surgery) for my son/daughter.
